Speakers' Bureau Evaluation Form

Thank you for participating in the James City County Master Gardener Speakers' Bureau program. The program is intended to help provide educational information and to offer the residents of James City County additional resource information for their gardening needs. Please help us to determine if this service has met your needs or where improvements could be made. Thank you for your assistance.

Please feel free to request additional information concerning your landscape needs by contacting your County Extension Service at (757) 564-2170 or by visiting the Virginia Tech website at <http://www.ext.vt.edu>.
