Long Island Veterinary Specialists is a full service, multi-disciplinary, referral-only practice. Our goal is to provide progressive, state-of-the-art veterinary care in the fields of: Behavior, Cardiology, Dermatology, Diagnostic Imaging, Exotics, Internal Medicine, Interventional Radiology, Neurology, Oncology, Ophthalmology, Radioiodine Therapy, Rehabilitation, Surgery, and 24-hour Critical Care & Emergency Medicine. Our support staff understands the bond that exists between you and your pet and are committed to making the referral experience a pleasant one for all involved.

FEE POLICY

An itemized estimate is provided on all patients admitted to the hospital after consultation. A deposit is required at the time of admission. Payment of the balance is due at the time of discharge. Due to the cost of delivering specialized care, we can no longer accept personal checks. We accept all major credit cards.

DIRECTIONS TO LIVS

LIVS is located on the South Service Road of the Long Island Expressway between exits 46 and 48.

From the East: Take the Long Island Expressway to exit 46 (Sunnyside Blvd.), make a left at the traffic light at the end of the off-ramp onto Sunnyside Blvd., and then make a quick left onto the service road of the Long Island Expressway going back East. Continue on the service road for 1.2 miles. LIVS is on the right, before P.C. Richard and the Ski Stop.

From the West: Long Island Expressway to exit 46 (Sunnyside Blvd.), continue straight ahead on service road for 1.2 miles. LIVS is on the right, before P.C. Richard and the Ski Stop.

Using local roads: Take Old Country Road to Newtown Road (one block west of Plainview Post Office), go north on Newtown Road to end. Make a right onto Long Island Expressway South Service Road. You will see LIVS on the right about 1/8th mile next to P.C. Richard and the Ski Stop.

Note: Sunnyside Blvd. is also Exit 38 on Northern State Parkway.
