MID VALLEY SCHOOL DISTRICT ATTENDANCE OF RESIDENT AND NON-RESIDENT PUPILS IN MID VALLEY SCHOOLS

STUDENTS Section

Sections 1301 and 1302 of the Pennsylvania School Code and Regulations 11.11 and 11.19 of the Pennsylvania State Board of Education authorize Mid Valley School District to request proof of residence or guardianship prior to admission to its school programs.

All requests for information received by school personnel regarding **resident** and **non-resident** pupils should be referred to the School District Administration Office. Pupils who do not reside on a full-time basis within the boundaries of the Mid Valley School District shall **not** be eligible to attend the public schools of this District **except**:

1. The School District shall accept tuition pupils who have been placed in foster homes within the District whose tuition shall, therefore, be paid by the Commonwealth under the provisions of Section 1305 of the School Code of Pennsylvania.
2. The School district shall accept pupils from other areas who make their home in the Mid Valley School District under the provisions of Section 1302 of the School Code of Pennsylvania. Before a child is accepted, the person or persons with whom such child is residing shall file with the District Office, a sworn statement that they are residents of the District and verification that they are supporting the child gratis, that they will assume all personal obligations and responsibilities for the academic achievement and good standing of the child and that they intend to so keep and support the child continuously and not merely through the school term. The District shall require the following:
 - A signed and notarized Sworn Statement by Resident, documenting residency of the child.
 - An official written statement stating that the guardian(s) has registered the child as a tax dependent (W-4 form) **and** that the natural parent(s) has deleted their child from tax dependent status. Mid Valley School District will forward copies of the supporting statements to the proper federal taxing authority.
 - Periodic verification will be made to determine that the child is living in the resident's home on a full-time basis. (The School District reserves the right to re-verify guardianship status at the beginning of each school semester (90 school days) with the District Administration Office.
3. A resident pupil enrolled in grades kindergarten through 12 who ceases to live within the boundaries of the School District after the start of the school year, shall be allowed to finish that school year **on a tuition basis**, provided that the school building principal recommends continued enrollment based on adherence to the established rules of proper student decorum and on good academic standing. Transportation for these non-resident tuition students who are not court placed **WILL NOT** be provided by the School District.
4. In cases where tuition payments are in order, 1st payment must be made 20 days in advance. The parents will then receive a monthly bill in the appropriate amount from the School District Business Office. Payments must be received in the Business Office by the 1st day of each succeeding month. Failure to pay by the due date will result in immediate withdrawal of the child from school, and re-registration will not be permitted until such time as the parents actually become residents. Retention of a pupil on a tuition basis is contingent on adherence to the established rules of proper student decorum and on good academic standing as evidenced by the school building principal.
5. In cases of **Multiple Occupancy**, an Application for Multiple Occupancy Registration/Certificate of Multiple Occupancy form must be completed by the parent(s) or legal guardian(s) of the child. Before enrollment of a multiple residency child in the Mid Valley School District, compliance with the residency checklist is necessary for verification of address status.

MID VALLEY SCHOOL DISTRICT AFFIDAVITS OF MULTIPLE OCCUPANCY

Under the authority of Section 1302 of the Pennsylvania School Code, the Mid Valley School District requires the filing of two affidavits of Multiple Occupancy when a school district resident provides for a child of school age who is not their own child. The purpose is to document residency of the child. By filing the statements with the school district, the Mid Valley residents are declaring that they are allowing the non-resident child and their parent(s) or guardian(s) to reside in their home on a full-time basis, and that the parent is **legally** living with their child at the address in question.

NOTICE TO INDIVIDUALS APPLYING FOR REGISTRATION OF A NON-RESIDENT STUDENT

While we want to consider each case on its own merits and assist students, we must be aware that some families may not be totally honest with us and may use our concern for students to merely enter Mid Valley School District. In order to provide quality education and treat all Mid Valley residents equitably and fairly, specific procedures are necessary. Therefore, in requesting and agreeing to the terms of **Multiple Occupancy Registration** for a non-resident school-age child and their parent(s) or guardian(s), you are hereby notified that

1. The parent(s) or guardian(s) are to complete the top portion of the attached form (**Application for Multiple Occupancy Registration**), declaring that the natural parent(s) or guardian(s) and their school age child(ren) are living at the residence in question on a full-time basis.
2. The school district resident is to complete the bottom portion of the attached form (**Certificate of Multiple Occupancy**), declaring that the student and their parent(s) or guardian(s) are legally residing at the residence in question on a full-time basis.
3. The form must be presented to school at the time of registration.
4. **Periodic verification** will be made to determine that the child is living in the resident's home on a full-time basis. The School District reserves the right to re-verify **Multiple Occupancy** status at the beginning of each school semester (90 school days) with the School District Administration Office. The accuracy of the information will be investigated and, if found incorrect, both the parent(s) and the School District resident filing the affidavit **will be liable for tuition and fines**.
5. At the time of Multiple Occupancy Registration, **both** the homeowner/lessee and the occupant must provide proofs of residency at the Mid Valley School District address.
