## International Baccalaureate (IB) Informational Meeting

Attention all Sophomores interested in possibly being a part of the IB program next year, mark your calendars for the Sophomore Student/Parent IB Information Night on Wednesday, November 4th at 7pm in the SME library. If you have any questions, please contact Monique Goodeyon at 913-993-6846 or email at [moniquegoodeyon@smsd.org](mailto:moniquegoodeyon@smsd.org).

## November STUCO Event

During November our attention turns to helping the less fortunate population of our community with a food collection to support the Johnson County Christmas Bureau. Any non-perishable food item (pasta, cereal, peanut butter, canned goods, boxed dessert mixes, tuna), cleaning supplies, toiletries, toys and gently used coats are welcome for drop off in the fourth floor hallway. There will be many events sponsored by Student Council to raise money and food. Watch out for the flamingoes! Tax-deductible contributions can also be made. Please make checks payable to SME and we will send one large donation. Thanks for your help with our Can Drive!

## National Honor Society News

Students who submitted candidate packets for National Honor Society will be notified by the end of the day on Tuesday, November 2nd as to their status. Any student who meets all qualifications **must** attend the mandatory induction ceremony practice session, which will begin promptly at 7:15 a.m. on Monday morning, November 9th, in the auditorium. If you are a candidate who will be inducted you **absolutely must attend** the practice. Students will need to pay their \$30 chapter dues at that practice as well. Please make checks payable to SM East.

Second years are not required to attend the practice; however, all second years are *strongly encouraged* to attend the induction ceremony.

The induction ceremony will be held in the auditorium on Wednesday night, November 11th, at 7:00pm. Parents, siblings, grandparents, and other family members are warmly invited and encouraged to attend. There will be a reception in the cafeteria immediately following the ceremony.

## SME Lancer Bands Updates

The SME Marching Band traveled to Topeka to compete in the Kansas Bandmasters Association State Marching Championship and came away with an impressive 7<sup>th</sup> place finish. At the Central States Marching Festival at Kansas State University, the band received a "Superior" rating for general marching, overall effect, musicality, percussion and color guard. Congratulations to Mr. Toepfer, Ms. Athon and the entire Marching Band on these terrific performances!

On November 20<sup>th</sup>, the Blue Knights and Blue Notes Jazz Bands will participate in the Baker Jazz Festival which will feature jazz bands from all over eastern Kansas. The Blue Knights and Blue Notes will have the opportunity to play in front of professional jazz musicians and clinicians. Good luck to the Jazz Bands!

Over the next few months, the Band will be increasing their fundraising efforts to help pay for their Spring 2016 trip to Orlando. Planned fundraisers include a Saver's donation drive where we will be asking for used clothing and household items. We are planning a "VillageDay" with performances in the Village Shopping Center and merchants donating a portion of proceeds. We are also planning a Spaghetti Dinner in January.

Please watch for more information on how to support our band students!

### 2015 District Financial Aid Evening

Time is nearing for the annual Shawnee Mission School District Financial Aid Night, designed to assist parents who have juniors or seniors and are looking for information and advice for funding their child's post-secondary education. This worthwhile evening, Wednesday, November 11th, at 6:30 p.m. in the auditorium at Shawnee Mission Northwest, will be presented by the Office of Financial Aid & Scholarships at the University of Kansas. Information presented will be general (not just specific to KU) and will include an overview of federal student aid (including the FAFSA), scholarships, loans, grants and other resources. The FAFSA (Free Application for Federal Student Aid) is the form used by colleges to determine a student's eligibility for financial aid and is required by many colleges and universities. You can find more detailed information on our [Counseling Web Back pack](#).

### Private School Shadow Days

We will be offering Private School Shadow Days again this year. If you have a student who attends a private school; is considering Shawnee Mission East as a freshman next year and would like to visit, please go to the SME Counselor web backpack for the available dates and registration form: <http://www4.smsd.org/SMECounselors/html31128.htm>

### Winter Sports Start Soon - Are You Ready

Winter sports begin on Monday, November 16, 2015. Be sure to keep the following information in mind as you prepare for boys and girls basketball, wrestling, boys swimming, and co-ed bowling.

- A physical exam form and athletic packet must be on file with the AD Secretary before an athlete can try out or practice. The physical must have taken place after May 1, 2015. If you have already turned in a physical form for fall sports, you have already met this requirement.

These forms are all available in the office at East or can be downloaded at [www.smesports.org](http://www.smesports.org). If you have any question about whether or not you have these forms on file, please check with the Gayle O'Grady, AD Secretary at 993-6602 or [eaograde@smsd.org](mailto:eaograde@smsd.org). Please turn in all paperwork for Winter Sports to Mrs. O'Grady by Friday, November 13 at Noon.

### Fall Buffer Week and Holiday Break Moratorium

**Buffer week** is November 9-14, 2015. Buffer week means that there shall be no athletic practice, off-season conditioning, informal basketball shooting, working out on wrestling mats, etc. in **school-owned** facilities. The gym shall not be open to students during this week **outside of school hours**. This, however, does not eliminate football practice for those high schools that qualify for play-offs.

The **"no-practice" dates over the holidays** have been set by KSHSAA. These dates are December 23-27, 2015. This holiday moratorium means there shall be no interschool activities and no group interscholastic activity practice on or outside school premises under supervision of school employees.

### Coaching for Winter Sports

The head coaches for the five winter sports are as follows. Please contact the appropriate coach for any information regarding a sport.

Boys' Basketball	Shawn Hair	<a href="mailto:eahair@smsd.org">eahair@smsd.org</a>
Girls' Basketball	Lauren Lawrence	<a href="mailto:laurenlawrence@smsd.org">laurenlawrence@smsd.org</a>
Wrestling	Lucas Baker	<a href="mailto:lbass215@smsd.org">lbass215@smsd.org</a>
Boys' Swimming	Wiley Wright	<a href="mailto:wwright@kckcc.edu">wwright@kckcc.edu</a>
Bowling	Fred Elliott	<a href="mailto:frederickelliott@smsd.org">frederickelliott@smsd.org</a>

### Looking Ahead

Before we know it, spring will be here and with that, the start of spring sports. These sports include boy's golf, boy's tennis, track and field, baseball, softball, girls swim/dive, and girls' soccer. Spring sports will begin on February 29, 2016.

### Girls Basketball Tryouts

Tryouts for 2015-2016 Girls Basketball will be held in the Auxiliary Gym from 3:00pm - 6:00pm November 16th - 19th. If you are interested in trying out, please see Coach Lawrence prior to tryouts.

### Sportsmanship—You Make the Difference

Ethics, integrity and respect are values important in our daily lives. At a contest, they are translated into the word “Sportsmanship.” Sportsmanship is one of the strongest educational lessons and lifetime values taught by high school athletics. The scores of this year’s boy’s and girls’ basketball games will be generally forgotten over time, but the actions of the players, coaches and spectators will be remembered for a long time. We ask that all of the Lancer fans (parents and students) will remember that good sportsmanship is the result of a disciplined effort to respect yourself, the opponents, and the officials. The administration at SM East believes that sportsmanship is probably the clearest expression of what being a Lancer is all about. As a result, please note the following expectations for our fans at games:

- We want our fans to **enthusiastically cheer for the Lancers**. However, we want all cheers to be positive and in support of our own team. We do not want any cheers directed at the opponent in any way shape or form.
- We ask that all fans be **supportive of the officials**. Clearly, the officials are human and will make mistakes. However, they are all part of a select fraternity whose job is an extremely difficult one. High school basketball officials are few in numbers because very few people are willing to put their neck out on the line in such a pressured environment. Imagine yourself at work with over a thousand people booing, heckling and second-guessing every decision you make. We ask that you let the officials do their job as you focus on supporting our players.
- We ask that all Lancer fans let the coaches do their job. Our coaches put in countless hours in preparation, practice and games. They do so for very little compensation. They are all incredibly dedicated to the athletes. Please show them your support by your focus on supporting the players.

Some other expectations of Lancer fans include the following:

- Shawnee Mission District policy states that all spectators must **wear shirts** at games.
- The **front row** of the bleachers in the student sections must remain vacant at our home games. Our bleachers are simply too close to the playing surface and a spectator could easily reach out and touch the players and officials. In fact, our bleachers are much closer to the court than in the spirited college arenas such as Allen Field House at KU. As a result, we leave the front row empty.
- We ask that all spectators (especially the students) **remain in the bleachers after the game**. When a sea of students rushes to the floor after a game, the potential exists for people to get hurt. A few years ago, a high school player in Arizona was severely injured when fans rushed the floor after a game. As a result, he suffered paralysis and had to forfeit his opportunity to play basketball for Stanford University. For us, we want our team and our opponents to have a clear and easy exit from the gym. For these reasons, all spectators must remain in the stands before, during and after a game.

We look forward to a great year of Lancer Winter Sports. See you at the games!
