*Grazing School participants will benefit from hands-on experience in the field.*

Each year, the South Dakota Grassland Coalition hosts the South Dakota Grazing School in Chamberlain/Oacoma during the 2<sup>nd</sup> week of September. Contact us at (605) 280-0127 or visit [SDGrass.org](http://SDGrass.org) for specific dates.

The Grazing School is designed for producers and anyone with an interest in learning how to best manage grasslands to benefit livestock.

The agenda features presenters from state and federal agencies, and universities. Area producers share their expertise about various topics related to grazing techniques and grassland management. Participants will hear presentations in the classroom and gain experience with hands-on activities in the field.

Space is limited. Early registration is encouraged to participate.
