BOOST YOUR EFFICIENCY: BRING ALL YOUR DATA TOGETHER WITH THE A-REPORTING SERVICE!

Because you need reliable data accessible in an instant, Axxès has developed its A-Reporting service: control your costs and reduce your processing times!

However big or small your fleet, you can now obtain your data **very simply** by automating the transmission of toll data. The A-Reporting service enables you to receive data in various formats as frequently as you need it:

- **Details of all your fleet's consumption over a given period.**
- **The total amount of consumption per badge over a given period.**
- **Your monthly invoices in a single document.**
- **Your MER (Most Expensive Rate) trips including the suggested entry plazas with the Viaxxès SAT tag.**
- **EDI (Electronic Data Interchange): GPS positions and toll data.**

THE FREQUENCY AND FORMAT OF YOUR CHOICE!

This fast, secure service enables you to import your toll transactions simply into your fleet management or transport (TMS) solution.
