This assessment may be billed on a monthly, quarterly or annual basis. The assessment shall be fixed at a uniform rate within the Section based upon lots with the sections, but assessment amounts may vary from Section to Section. All monies received by the Association as the Maintenance Assessment shall be held in trust by the Association for the benefit of the members in each Section to be used solely for the purposes as herein provided. Maintenance Assessments and any income derived there from shall be held as a separate fund and shall not be commingled with other assets coming under the control of the Association.

(b) Negligence or Willful Neglect. In the event that the need for maintenance or repair is caused through the willful or negligent act of the owner, his family, tenants, guests or invitees, the cost of such maintenance or repairs (including costs incurred by the Association for attorneys fees,

court costs, or other expenses incurred to obtain access to the subject lot or unit) shall be added to and become a part of the assessment against the individual lot upon which the maintenance or repairs are performed.

In the event an owner of any lot in the properties shall fail to maintain the premises and the improvements situated thereon in a manner satisfactory to the Board of Directors, and such maintenance is not that to be provided by the Association under Section 2 or 5 above for which assessments are provided, then the Association, after approval by two-thirds (66-2/3%) votes of all members of the Board shall have the right through its agents and employees, to enter upon said lot and to repair, maintain and restore the lot and the exterior of the buildings and any other improvements erected thereon. The cost of such exterior maintenance and repair (including charges incurred by the Association in gaining access to the subject lot or unit, including court costs and reasonable attorneys fees) shall be added to and become part of the total assessment to which such lot is subject.

Section 7. Special Assessments. In addition to the annual assessments authorized by this Article, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement located upon the Common Areas which cost has not otherwise been provided for in full as part of the annual General Assessment, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the approval of fifty-one (51%) percent of the total number of votes held by Class A members and fifty-one (51%) percent of the total number of votes held by Class B members of the Association. Any special assessment levied by the Association pursuant to the provisions of this Section shall be fixed at a uniform rate based upon Living Units. All monies received by the Association as a Special Assessment shall be held in trust by the Association for the benefit of the members to be used solely for the purpose of the Special Assessments and any income derived therefrom shall be held as a separate fund and shall not be commingled with other assets coming under the control of the Association. The assessment may be billed in advance on a monthly, quarterly or annual basis.

Section 8. Commencement of Assessments. The Annual assessments shall commence on the first day of the month following the conveyance to the Association of the Common Areas. The first assessment for any such membership shall be made for the balance of the calendar year

and shall become due and payable and a lien on the date aforesaid. The Board may from time to time determine the manner and schedule of payments.

It shall be the duty of the Board of Directors of the Association to periodically fix the amount of the assessment against each lot for such assessment period and the Board of Directors shall make reasonable efforts to fix the amount of the assessment against each lot for each assessment period at least thirty (30) days in advance of such date or period and shall, at the time, prepare a roster of the lots and assessments applicable thereto which shall be kept in the office of the Association and shall be opened to inspection by any owner upon reasonable notice to the Board. Written notice of the assessment shall thereupon be sent to the Owner of any lot subject thereto. The personal obligation of the then Owner to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them with the consent of the Association.

If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest at the rate of eight percentum (8%) per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, in either of which events interest, costs and reasonable attorneys' fees shall be added to the amount of each assessment. No Owner shall waive or otherwise escape liability for the

assessments herein provided for by non-use of the Common Areas or Community Facilities or abandonment of his lot or living unit.

In addition to the eight percentum (8%) per annum interest provided above, the Board of Directors, in its discretion, may establish a reasonable late charge to be paid in event of any assessment that is not paid within thirty (30) days after due date, provided that such late charge shall not exceed a sum equal to ten (10% percent of the amount of the assessment which is delinquent by thirty (30) days.
