

BALDWIN COMMUNITY SCHOOLS DRESS REFORM / UNIFORM SURVEY

More and more public schools are considering dress reform for their students and faculty. The world of professionalism has changed and now more than ever it pays to dress for success.

Recently, local parents have attended Board meetings and both publicly and privately approached Board members to discuss their concerns on student dress reform and uniforms. Now that the Baldwin Promise is a reality, both parents and concerned citizens of Lake County have voiced their opinions calling for a more mature and professional look at Baldwin Schools to promote pride in the school and community.

As a result, the Board of Education is considering implementing a required parent-purchased uniform policy for students attending Baldwin Community Schools. We want to hear from you regarding this important issue!

Please circle one of the following:

Parent of Current Baldwin Student

Community Member
