## POSITION DESCRIPTION: TEACHER

# *St. Augustine's College*

## *A Catholic Secondary School in the Marist Tradition*

*As a Catholic College for boys in the Marist tradition, the Gospel is at the heart of all we do. Everyday moments of prayer, reflection and peacefulness in the light of the Gospel, have a formative influence on the culture of our College. We consciously seek to adopt St Marcellin Champagnat's vision that "to educate young people, you must love them, and love them all equally". It is from this vision together with the defining characteristics of Marist Education: Presence, Simplicity, Family Spirit, Love of Work, and In the Way of Mary that our distinct culture is shaped. We aim to be close to the most vulnerable and accompany our students in their development as good Christians and good citizens.*

*The teacher at Saint Augustine's College has an indispensable role to play in supporting and promoting the mission and goals of the College where faith and educational excellence are reconciled. It is important that teachers see themselves as being in cooperative partnership with parents and the Catholic Community and seek to support the Marist Charism in dynamic ways. The Saints teacher displays a generosity of spirit through their involvement in all aspects of College life. The young people in our care should develop skills in building positive relationships based on those modelled by College staff. Teaching practices at St Augustine's College are focused on the continual development and enrichment of the educational experiences and outcomes for all students as they develop into young men with 'strong minds' and 'gentle hearts'.*

AUTHORISATION: Executive Director

## **2. PROFESSIONAL STANDARDS**

### **2.1 Standards of Professional Practice**

The [Australian Professional Standards for Teachers](#) are used for registration purposes in Queensland.

Teachers' demonstration of the Standards will occur within their specific teaching context, at their stage of expertise (Graduate, Proficient, Highly Accomplished, Lead) and reflect the learning requirements of the students they teach. As per the Australian Professional Standards for Teachers there is an expectation that all teachers at Saints Augustine's College:

- Know students and how they learn
- Know the content and how to teach it
- Plan for and implement effective teaching and learning
- Create and maintain supportive and safe learning environments
- Assess, provide feedback and report on student learning
- Engage in professional learning
- Engage professionally with colleagues, parents/carers and the community

All teaching staff are expected to undertake an annual appraisal process involving a written reflection of teaching practice and identification of individual professional learning goals linked to the: College Strategic Plan and the Teaching and Learning Framework; and the Standards and Career Stage as stated above. The appraisal process includes a series of formal and informal support meetings, dialogue and collaborations involving peers and other relevant Middle and Senior Leadership colleagues as appropriate.

Teaching staff are responsible for maintaining their registration, as per Queensland College of Teacher requirements, by actively seeking, undertaking and documenting professional learning activity.

### **2.2 Positive Relationships and Pastoral Care**

Teaching staff at Saint Augustine's College should endeavor to take an active interest in the personal, spiritual, academic and social development of each student by looking for ways to get to know each boy very well, and establishing a positive relationship with him which is conducive to his growth.

All staff are responsible for the pastoral care of students. There is consistency in approach and expectation when addressing the pastoral care and behaviour management of students. All staff are to be conversant with the following College Policies: Student Protection Policy; Student Anti-bullying Policy and the College's Discipline Policy.

The pastoral care of students is overseen by Heads of Year in consultation with the Deputy Principal (Pastoral), alongside Homeroom teachers. Pastoral Care Team meetings are held throughout the term.

### **3. PROFESSIONAL RESPONSIBILITIES**

#### **3.1 Professional Learning**

In accordance with the Australian Professional Standards for Teachers, teaching staff are required to maintain professional knowledge and skills specific to their subject area and the teaching and learning framework of the College. Staff are expected to seek and access external professional learning opportunities in consultation with Middle and Senior Leadership colleagues. Where appropriate staff are encouraged to formally report back to members of staff (e.g. workshop presentations during internal Professional Learning programs or staff meetings) who would benefit from the professional learning session also.

Internal professional learning programs require staff attendance and participation. Part-time staff are asked to attend internal professional learning on at least a pro-rata basis, but are advised to consider the needs of: their curriculum area(s), the College and the Queensland College of Teachers Professional Learning requirements, when selecting to attend.

#### **3.2 Curriculum Development**

The currency and improvement of curriculum resources relies on the contribution of teaching staff in a curriculum area. This includes writing and updating teaching and learning resources, work programs and the development of assessment items. The work of a Curriculum Area is overseen by a Head of Department in consultation with the Deputy Principal (Curriculum) and alongside subject teachers. All staff are to be conversant with the College Policies relating to academic integrity.

#### **3.3 Intellectual Property**

All documentation generated while employed by the College is and remains the property of the College. Documentation should be published and shared appropriately.

#### **3.4 Use of Data to guide teaching practice**

Using data to inform areas for change and improvement within a structured process of subject review is an essential component of effective teaching and learning at the College.

It is expected that teachers involve the use of a range of data sources and feedback to guide the development of their practice. This includes Student Feedback Surveys, Peer Observation, NAPLAN results, QCS Results and Student Reports etc. A reflection of feedback is then to be made during the appraisal process and in a teacher's Professional Learning Plan.

#### **3.5 College Communication**

Members of the College are required to regularly check various sources of communication including email, electronic notice boards, bulletins, newsletters etc., and keep abreast of all relevant information and proceedings. Also, all staff are to be conversant with the College Policies, for example: Academic Integrity Policy; Privacy Policy.

### **3.6 ICT Competency**

Teachers commencing employment at the College are normally issued with a laptop to assist with their teaching practice and administrative duties. As part of this responsibility, it is necessary for teachers to have adequate knowledge and skill for their effective use.

Teachers are required to have a high level of competency in the use of software programs and computer applications that are required by the College – specific to subject departments and administrative duties. Continued professional learning in the area of ICT is seen as a necessary and integral part of effective teaching and learning.

### **3.7 Attendance at Meetings**

A meeting schedule is prepared prior to the commencement of the school year and made available to all staff via the College calendar. Attendance at meetings is prioritised over other school activities (e.g. training, rehearsals, study session and detention etc.). Teachers who cannot attend a meeting are requested to tender written apologies to the chairperson in advance. Teachers are expected to be on time for all meetings and are requested not to make alternative arrangements that conflict with their meeting obligations.

Teaching staff are required to attend the Monday morning prayer and briefing which is scheduled to commence at 8.20am. Monday afternoon meetings (including Whole staff, Pastoral and Academic) are scheduled to commence at 3:30pm and normally conclude by 4.30pm.

### **3.8 Homeroom Teachers**

All members of the teaching staff are Homeroom Teachers or members of year-level teams. At St Augustine's College this is regarded as a key role in the academic and pastoral care of students. Each Homeroom Teacher has charge of a year-level Homeroom Group and meets with them each day. The Homeroom Teacher has oversight of the general progress of each student in the Homeroom Group and is the person who is the parents' normal and first point of contact with the College. At each year level, Homeroom Teachers develop practical and effective strategies for knowing, monitoring, supporting, guiding, challenging, and reporting on students. The key areas of accountability are:

- Pastoral Care
- Academic Care
- Administration

### **3.9 Yard Duty Supervision**

Normally, staff will be allocated supervision duties to occur: before school, during recess, at lunch or after school. The Deputy Principal (Pastoral) asks for preferences at the beginning of the school year. It is the responsibility of the scheduled supervising teacher to ensure that students in the designated area are safe and behaving in an acceptable way. Likewise, supervising staff are required to be vigilant of the correct and careful use of College grounds and property.

Staff unable to attend their rostered yard duty need to arrange a swap if their absence is known in advance (e.g. excursion, professional learning etc.). In this instance the Deputy Principal (Staff) needs to be notified.

### **3.10 Parent-Teacher-Student Interviews**

Scheduled Parent-Teacher-Student Interview meetings occur during the year as per the College Calendar. Teachers are expected to bring necessary documentation (results, student work samples, attendance records, etc.) to discuss a student's progress and strategies the student can use to improve their performance.

The occasion provides the opportunity for constructive discussion between teachers, parents and students with the goal of enabling and encouraging student success. Professional attire and conduct are to be maintained throughout Parent-Teacher-Student interviews.

### **3.11 Co-curricular Participation**

Saints Augustine's College Staff are generous in their participation in co-curricular activities. There is an expectation that staff seek to contribute to the various co-curricular programs offered. Participation in these activities helps to build positive relationships and enhances the family spirit of the College.

### **3.12 Professional Conduct**

The College's expectation of professional conduct is outlined in the College Code of Conduct Policy. The values underpinning this code are based on integrity, respect and responsibility. It identifies a set of principles which describe the professional conduct, personal conduct and professional competence expected of a teacher by their colleagues and the community.

### **3.13 Professional Dress**

The teaching and administrative staff of St Augustine's College should, at all times, project an image befitting their professional status within the College community. All staff should dress in a professional manner, that is, well groomed and in appropriate clothing. Some specific College events require staff to dress more formally, for example, male staff are asked to wear a tie.

### **3.14 Ceasing employment or taking extended leave**

Ceasing a term of employment or accessing extended leave (e.g. Long Service leave) requires as early notice as possible in accordance with award agreements. Where possible a full and complete handover of relevant material and information takes place with the replacement staff member.

### **3.15 Additional Responsibilities**

Including, but not limited to:

- Presence at information evenings as required
- Organisation of excursions as per the College Excursion Policy
- Attendance at overnight camps or retreats as required
- Attendance at College, House, year level and pastoral assemblies
- Supervision of extra classes as per the Certified Agreement
- Presence at College events including the College Opening Mass, Open Evenings, Inter House carnivals and Presentation Evening
- Contributing to the religious life of the College through appropriate participation in prayer, masses, retreats and liturgical celebrations
- Knowledge of College policies
- Other duties as directed by the Principal.

## **4. HOURS OF WORK**

Teachers are normally expected to be at school by 8:20 a.m. and may leave after 3.30 p.m. unless required to attend classes, scheduled meetings or other College activities. Teachers who have a need to leave the property earlier than the designated time are requested to sign out and consult the Deputy Principal (Staff).

A full teaching load for a fully registered teacher is calculated according to: a maximum of 21.5 hours of contact time per week; preparation and correction time is 20% of actual teaching time; other duties and responsibilities, including cover periods or extra supervisions up to 30.5 hours per week. An example of a teaching load for a full time registered teacher is: five lines, Homeroom, Sport and up to three Yard Duties and extra supervisions. (QIEU)

Staff who will be absent or late for the commencement of the school day, are requested to contact the Deputy Principal (Staff) prior to 7:30am via email or on 40 529 150 and email instructions for lessons. As far as is possible, staff absence is to be kept to a minimum. Therefore, staff are requested to take leave for travel, medical and dental appointments, or other appointments not related to school, during holidays or after hours. Staff absence greater than two days requires a Medical Certificate.

Staff arriving late to school are requested to notify the Deputy Principal (Staff).

### **4.1 Planned Absences**

Teachers aware that they will be absent from classes on a particular day (due to an excursion, professional learning etc.) are to leave ample, relevant coursework for the classes being covered. Instructions for these classes should be given to the Deputy Principal (Staff).

### **4.2 Extras**

Teachers taking a class in place of an absent teacher are expected to actively conduct the class and encourage productivity amongst students.
