

A Daughter's Prayer

Dear Lord, please help me-

To accept human beings as they are-not yearn for perfect creatures;

To recognize ability-and encourage it;

To understand shortcomings-and make allowance for them;

To work patiently for improvement-and not expect too much too quickly;

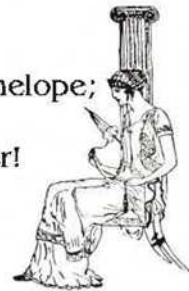

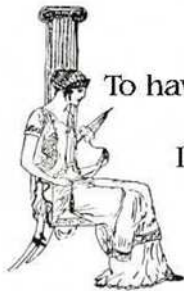

To appreciate what people do right-not criticize what they do wrong;

To be slow to anger and hard to discourage;

To have the hide of an elephant and the patience of Penelope;

In short, Lord please help me be a better Daughter!
