### Mission and Relation to University Mission:

The mission of the Sport and Fitness Management degree program is to provide educational opportunities that prepare students for entry level sport, recreation, fitness, wellness, and health services positions. The mission of the SFM degree program directly supports the University's mission of encouraging each student to develop his/her unique potential and to become a productive member of society. Aligned with the university mission, the SFM degree program aims to provide an appropriate academic, cultural and social environment that allows the achievement of SFM program's mission.

Achieved:
