PURPOSE

The purpose of this directive is to encourage the formal and informal recognition and reward of Department of Corrections' employees for exemplary performance and to establish guidelines for local and statewide non-monetary awards. Monetary awards are administered separately under the provisions of Agency of Human Services Policy #4.04, *Employee Recognition and Meritorious Increases*, 8/27/07.

POLICY

The State of Vermont encourages the establishment of employee recognition programs to recognize and celebrate excellence in State government by outstanding individuals and groups. Although the Department of Corrections values the routine recognition of positive practices by all staff on a continuing basis, it is the policy of the Department to recognize and reward employees whose contributions, attitudes, achievements, and organizational commitment have been outstanding, as well as those personal efforts that went above and beyond normal expectations. This directive incorporates, by reference, State and Agency of Human Services policies on employee reward and recognition, and their requirements.

PROCEDURAL GUIDELINES**1. Employee Recognition —General**

- a. The Department of Corrections believes in and aspires to the following best practice regarding the individuals who work for it.
 - i. We value the skills and expertise of our staff, routinely recognize and reward positive practices, and provide opportunities to learn and grow professionally.
 - ii. We have a work environment that thrives on continuous improvement and service delivery, encourages professional growth and the development of promising and best practices, and acknowledges the valuable contributions of staff in improving the lives of Vermonters.

- b. The Department has an employee recognition program to encourage and reward employees for exceptional effort that includes regular local awards given by work unit supervisors, and statewide awards which are given annually by the Commissioner.
- c. The Commissioner will present annual awards to nominated and selected staff. All Department of Corrections' annual, statewide employee recognition awards will be presented at the Department's Annual Awards Ceremony which will normally be conducted near the time of Public Service Recognition Week.
- d. Performance Management
 - i. Supervisors will complete annual performance evaluations for all classified employees within the time frames consistent with State Department of Human Resources policy.
 - ii. Each Department Executive will assess, as part of the annual performance evaluation, how well a manager in their chain of command rewards and/or recognizes exemplary performance among employees supervised by that manager.
 - iii. Each manager in the Department will be responsible to present a clear plan to recognize exemplary performance.

2. Local Awards

Local work unit supervisors have the opportunity and responsibility to recognize and reward staff under their supervision in a variety of ways with local awards. They will develop local procedures to facilitate this reward and recognition program. The following awards may be given; although not mandatory, they are encouraged for deserving employees.

- a. Time-Off Awards
 - i. Agency of Human Services *Policy #4.04 (8/22/07)* allows managers to award employees time off from work in increments of one (1) hour up to eight (8) hours at the manager's discretion.
 - ii. If a manager wishes to award time off more than once (1 time) a year or for more than eight (8) hours for an individual employee, the manager must follow the procedures outlined in *AHS Policy #4.04*.
 - iii. The employee's supervisor must ensure that the employee's time report is properly completed when awarding time off for meritorious behavior.
 - iv. There may be more than one (1) employee per year who receives this award from each site.
- b. Non-Cash Awards
 - i. Managers may purchase non-cash awards, such as plaques, token gifts, designated parking spots, etc., in an amount not to exceed Agency of Human Services guidelines for payment. (See *AHS Policy #4.04*.)
 - ii. Managers may not purchase gift certificates for a cash amount from a business, or savings bonds as a non-cash award.
 - iii. Under no circumstances is a manager to accept a gift from a private sector which is to be given to any employee. This includes gift certificates.
 - iv. There may be more than one (1) employee per year who receives this award from each site.
 - v. Provided that any of the above non-cash awards qualify as a "*de minimus* fringe benefit", they do not need to be counted as taxable income.

- c. (Quarterly Awards) *Employee of the Quarter*
- i. At the end of every quarter of the calendar year, each unit/work site of at least 20 staff (e.g., facility, P&P office, central office, etc.) may nominate and select an exemplary employee of the quarter who has exhibited:
 - Exceptional performance on a special project or over a sustained period that exceeds the knowledge, skills, and attitudes required by the position; or
 - Meritorious acts or service in the public interest in connection with the employee's state service; or
 - Exceptional or heroic actions in the community which exemplify the high quality of Department staff; or
 - Other specified criteria that the unit develops.
 - ii. Managers of work units with less than 20 employees (e.g., smaller P&P offices, Victim Services Unit, etc.) will develop time-specific award programs consistent with the plan developed through their annual performance evaluation, that may differ from other work units.
 - iii. Any employee receiving an award should have no disciplinary action during the past calendar year.
 - iv. Any individual may nominate an eligible employee.
 - v. The employee's immediate supervisor must endorse the nomination.
 - vi. The work unit supervisor for the unit/site will appoint a three (3) member panel to select the Employee of the Quarter from the field of nominations.

3. Awards Approval Committee – Annual Statewide Awards

- a. The Commissioner will appoint a Department of Corrections' employee Awards Approval Committee with at least five (5) members, for the purpose of selecting and recommending candidates nominated for annual statewide Department awards.
- b. Members will include an employee from the Human Resource Development Unit (HRD) and represent other units/work sites and job classes (e.g., facility, Vermont Correctional Industries, Out of State Unit, Academy staff, etc.). They will be recommended to the Commissioner by the Executive Management Team (EMT) for specific terms.
- c. Staff may express an interest in being a member of the committee or be recruited by the Executive Management Team.
- d. The committee may submit as many candidates for each statewide award as they feel should be recommended to the Executive Management Team.
- e. The committee will meet at least twice (2x) yearly.
- f. If a member or family member of the Awards Approval Committee is nominated for a Department award, they will not participate in the selection process for that particular award.

4. Annual Statewide Department Awards

There are several categories of statewide awards. The first two are for specific acts of bravery, heroism, or action in life-threatening situations. The third is for exemplary work in the community, as well as on the job. They each have specific criteria for nomination. Following that are individual

awards for exemplary performance by job role, with similar criteria for all categories. The final award is for a correctional team.

- Statewide awards may include individual and team awards in the following categories.
- Not all categories need to be nominated or awarded each year.
- The immediate supervisor of the individual nominated for an award (or Central Executive in the case of Managers), must review and endorse the nomination before it is submitted to the Awards Approval Committee. (See *Attachments 1* and *2*.)
- Nomination: Any individual may nominate a candidate who meets the eligibility requirements, using *Attachment 1*. Team awards will use *Attachment 2*. Each nomination will be described by the criteria set forth for each award category and submitted to the Awards Approval Committee by March 1.
- Selection: The Awards Approval Committee will review all nominations and make recommendations to the Executive Management Team and Commissioner. The Commissioner will make final selections by April 1.
