

RadioNet TRAVEL EXPENSE CLAIM FORM

INSTRUCTIONS FOR TNA & NETWORKING ACTIVITIES

The Joint Research Activities (JRA) travel funds are held by institutes; travel for JRA-related activities are to be reimbursed by your home institute.

ALL TRAVEL MUST BE AUTHORISED IN ADVANCE BY THE CONTACT PERSON/LEADER OF THE RadioNet ACTIVITY THAT WILL PAY FOR YOUR TRAVEL. RadioNet WILL NOT REIMBURSE TRAVEL THAT IS NOT AUTHORISED.

*Items marked with * are compulsory fields - if not filled in, the form will be returned*

1. Before travelling, request e-mail authorisation for the travel from the project leader (see below for list of project leaders/contact people and their contact details). In the event of no reply from the chair of a networking activity you may contact the vice-chair.
2. Download the relevant RadioNet Travel Claim Form (<http://www.radionet-eu.org/policy/>)
3. Determine the correct project number to which this travel is to be charged. Project numbers can be found below. For each RadioNet activity, the project number is already pre-printed on the claim form. **NOTE:** this project number is only applicable to authorised **travel** for this specific RadioNet activity; it is not to be used for purchases of any sort.
4. Fill in the form as completely as possible. Include the following information:
 - destination and reason for claim + dates*
 - your full name, institute name*
 - bank name and address*
 - IBAN (International Bank Account Number) code: your bank can provide this information or you can search your bank's website for "IBAN". *Note: fill in either IBAN or SWIFT (BIC) code*
 - SWIFT address (BIC – Bank Identification Code): your bank can provide this information or you can search your bank's website for "BIC" or "SWIFT"
 - Bank account name (can be different from your name) and account number*
 - expenses columns: if applicable, you can fill in different currencies*
5. Enclose invoices and receipts with your claim form. All major receipts are required, including accommodation and travel cost (including taxis etc.). Air travel must be booked in economy class unless prior authorisation is obtained from the RadioNet Coordinator.
6. Sign the form and fill in the date*
7. Send the form and receipts to the relevant project leader/contact person (addresses are given below). The contact person/leader will then authorise payment to you from JIVE. See below for information on project managers of the various RadioNet activities.

IMPORTANT: when your institute has paid for (part of) your travel, there are two possibilities:

- a. You fill in the claim form with your own banking information, JIVE pays directly to you and you reimburse your institute

- b. Your institute sends a copy of the travel invoice to the TNA contact person or NA chair/vice-chair, who will fill in a [RadioNet](#) claim form, sign it and send it to JIVE for payment to your institute (mention banking information!).

In both cases, the forms and receipts must be sent to the project leader/contact person, who will sign the form and send it to JIVE

8. Questions on filling in the form? Contact the project leader/contact person. Questions on the status of the claim? Call +31 (0)521 596524 or e-mail secretary@jive.nl

9. The money will be transferred to your bank account. The sender will be “Joint Institute for VLBI in Europe”
