INVITATIONS FOR EVERY CELEBRATION

## **A few fine points...**

The following verses are sampled for your inspiration and creation.  
Please feel free to use these verses when you order your invitations  
**from Nika Paperworks Stationery Studio**  
or to create your own version of any verse for your invitation!

While I have sampled these invitations using the more traditional  
(Bride) and (Groom) labels, any of these verses are perfectly  
suitable to be used for (Person) and (Person) in our  
LGBT White Knot Wedding community.

These verses do not address any complicated family dynamics.  
And if your family is as complicated to explain as mine,  
you may need help figuring out how exactly to address  
and/or list all the involved parties on your invitations.

**Give me a call at 201-602-7047**

and I'll be happy to help you address any etiquette  
concerns you may have when addressing  
such family dynamics.

Remember, words are the great foundation of your day!  
They are to communicate the whom, what, when, where  
and allude to the style of the day.  
But every word can be made outstanding  
with the right design, artwork, layout,  
font and colors.

**Have fun reading and let me know what you think!**

"Love is patient, love is kind.  
It does not envy, it does not boast,  
it is not proud.  
It is not rude it is not self-seeking,  
it is not easily angered,  
it keeps no record of wrongs.  
Love does not delight in evil  
but rejoices with the truth.  
It always protects, always trusts,  
always hopes, always perseveres.  
Love never fails.
