

MILITARY/CIVILIAN JOINT USE ISSUES TRAINING WORKSHOP

DECEMBER 7-9, 2014 | KILLEEN/FORT HOOD, TEXAS

AAAE is pleased to present the 2014 Military/Civilian Joint-Use Training Workshop, December 7-9, in Killeen, Texas. Make your plans today to join military leaders, federal officials, colleagues and other aviation professionals at the only training workshop created to discuss the latest regulations, technologies and issues concerning military/civilian airfield operations. [Killeen/Ft. Hood Regional Airport \(GRK\)](#) is centrally located in the heart of Texas and is adjacent to the [Ft. Hood Army Base](#).

This training workshop annually brings together government and industry representatives who are integrally involved in the administration and operation of military/civilian airports. This year's agenda will address current FAA/DOD issues, actual case studies and the funding outlook for the MAP Program. The agenda format is designed to encourage attendees to get answers to questions important to them and to share their ideas/experiences.

The general sessions will be presented by industry professionals, including representatives of federal agencies, military specialists, consulting firms and airport executives. Active involvement by participants is encouraged. Please join us for this important conference and enjoy Texas hospitality.

All sessions will take place at the [Courtyard Marriott -Killeen](#). The conference will begin with a welcome reception from 5:30-6:30 p.m. on Sunday, December 7 (registration opens at 5 p.m.), and ends at 11:30 a.m. on Tuesday, December 9.

Registration fees include all handouts, two continental breakfasts, one lunch, the welcome reception, UAS demonstration and tour, and all breaks. Dress is business casual (no ties).

TOP FIVE REASONS TO ATTEND

1. This forum provides a relaxed environment to exchange ideas, discuss airport joint use issues and work toward solutions.
2. Governmental officials will provide context to the ongoing Military Airport Program (MAP).
3. Attendees can share local successes and exchange new idea with colleagues.
4. Learn about Unmanned Aerial Systems (UAS) operations at the Killeen/Ft. Hood Regional Airport
5. This year's agendas will focus on the key issues of Federal Funding, UAS, and Veterans Initiatives.
