DLPOA Board Meeting

April 6, 2011

7:30 PM

The first Wednesday of the month brings us the April DLPOA Meeting.

Everyone is invited to the RHE community center on the corner of PV dr. North and East.

We've got the Easter Egg Hunt and Parade coming in April and a whole lot more that you will want to know about.

See you at the meeting!

wasn't incorporated until 1957. Needless to say, things have changed.

The committee has had several meetings and has created a fairly mature draft which we are asking that the DLPOA property owners review and provide comment on if desired. Chuck Berman will have

posted the draft on the DLPOA Website at www.Palosverdes.com/DLPOA by the time you are reading this article. For those people interested in reading/commenting, but who do not have internet access, just call me at 310-325-9315 and I will drop off a copy to you.

The committee has formatted the draft in plain English as opposed to the original legalese. I hope that this format will assist in your review and understanding of the draft. I am asking that you complete your review by Sunday March 27 because the next committee meeting is March 29. Those commenting via the internet please respond to Kirk Retz via his office email at kretz@retzlaw.com. Those commenting via hardcopy please place the comments in an envelope and drop it in Kirk's mailbox with his address on the envelope (18 Dapplegray Lane).

Thank you, in advance, for your help.
---Jerry Gliksman

DLPOA By-Laws and CC&Rs Rewrite Status

A group of residents have volunteered to revise the DLPOA By-Laws and Protective Restrictions, Conditions, Covenants and Reservations (CC&Rs). The rewrite committee decided to begin revising the By-Laws first.

The By-Laws provide rules and regulations that define how the business of our Association is conducted including how homeowners can become members of the DLPOA, how we elect Board Members and run our meetings as well as how our Committees function. The CC&Rs established the General Plan for protection, maintenance, improvement and development of the real property known as Dapplegray Lane. These documents were revised in August 1948 and in 1961. As a point of history, the City of Rolling Hills Estates

Right Turn Sign

You may have noticed in the past that there was a "right turn only" sign that partially blocked the view of the Dapplegray Lanes sign when approaching from the East. Our board petitioned city hall to have it moved.

The efforts of our board, spearheaded by Paul Schwartz accomplished the task and the sign has been moved.
