After this I looked and there before me was a great multitude that no one could count, from every nation, tribe, people and language, standing before the throne and in front of the Lamb.

Andrew and Marilyn Schache

Mission Partners

Andrew and Marilyn Schache

Andrew & Marilyn bring a wide range of skills to Talua. They met in PNG as single missionaries, were married in Brisbane before returning to PNG, where they spent 5 years serving the Evangelical Church of PNG. They returned home to Queensland when the national church was able to do the work in which they had been engaged. They are now preparing to serve at the Talua Ministry Training Centre, Vanuatu.

Marilyn is from Manly (Brisbane), with 25 + years of experience as a medical receptionist. She attended Sydney Missionary and Bible College for two years, gaining a Diploma in Bible and Mission, and recently attained an Advanced Diploma in Christian Counselling. These skills will be put to good use at Talua in her role in administration at the centre, as well as in informal mentoring and encouragement of the students' wives. She loves reading, needlework, cooking and meeting people.

Andrew grew up in Gympie, and found employment initially in the Dept of Forestry, attaining the position of Overseer, before changing direction and moving into private school maintenance, a role he occupied for 20 years. During these years he gained considerable insight and experience into a great many trades and disciplines, and these abilities, combined with his 5 years experience as the manager of

the Evangelical Church of Papua New Guinea's mechanical workshop, will enable him to very capably fill the role of Maintenance and Project Management at Talua. Andrew enjoys reading, travel, singing and helping others.

Talua Ministry Training Centre

Talua is the primary theological college of the Presbyterian Church of Vanuatu. Established in the mid 1980's Talua trains pastors and lay leaders for the Presbyterian Church of Vanuatu. Since it's establishment the campus has grown as the numbers of students being trained has increased. However the growth in buildings has led to the need for continual maintenance.

Andrew will serve in the much-needed role of maintenance and project manager for the college. **Marilyn** will serve in the administration of the Bachelor of Ministry degree and the Diploma in Theology. Talua has a strategic role because it serves not only the church in Vanuatu but also the church throughout the South Pacific.
