CMY has partnered with Melbourne City Football Club to start a new project that uses football to bring a sense of unity to the community. It includes 20 spots for young people to complete accredited football coaching or refereeing training in Dandenong and Sunshine.

The young leaders will support and practice their coaching and refereeing skills at weekly football sessions with younger participants (14-17yrs). These activities will also be a chance for people of all cultures to learn about each other and play together. The groups from both areas will come together twice, for a skills development day and again for a football festival, including a round-robin tournament!

Youth Leaders will be required to attend a 3-day leadership and football training with Melbourne City Football Club from Tuesday 31st March to Thursday 2nd April.
