Dear Parents and Caregivers,  
Welcome back to school after the long holidays and I hope you all enjoyed yourselves. I am thrilled to be the Principal at Camboon Primary School and I am looking forward to getting to know everyone. It has been a smooth

start to the year for the staff and students. I take this opportunity to welcome all our new students and their families to our school.

I thank everyone for their warm welcome and am looking forward to working together. I have been very impressed with our students so far and have enjoyed visiting classes to see the great work already being completed. I am aware of the fantastic reputation our school has and have seen for myself the wonderful community spirit and school pride.

For those of you whom I haven't yet met, my name is Janice Cuculoska. I have been in education for over 20 years in a variety of schools including at Atwell PS for 13 years and most recently at Medina PS and Bramfield Park PS in 2015. I am married and have two teenage children (First year Uni & Year 12). I speak several languages and love to learn new things. I look forward to finding out more about our wonderfully diverse school community and meeting and working with you to continue the great efforts at Camboon PS.

Once again, thank you for your warm welcome and I look forward to a wonderful year.

Janice Cuculoska

We also welcome Year 5 teacher Miss Carly Nelligan and Education Assistant Jodie Stone to our school.

### Parent Information Sessions

Parent information sessions will be held to provide parents with general information about class routines, expectations, timetables and communication. Meetings take place in individual classrooms and are staggered so that parents with more than one child can attend each child's class. We prefer that children do not attend this event if possible. Meeting times and dates are as follows:

#### Tuesday 9 February

Pre-primary and Kindy C (PP1 and PP2) - 2.30-3.00  
Room 9—3.05pm—3.35pm

#### Wednesday 10 February

Kindy A and Kindy B - 2.30 - 3.00  
Rooms 1, 2, 3 and 4 - 5.30 - 6.00  
Rooms 7, 8 and 13 - 6.00 - 6.30  
Rooms 14, 15, 16 and 17 - 6.30 - 7.00

These meetings are designed for general information, not for discussions about individual students. If you would like to discuss your child's needs with their classroom teacher, please make an appointment.

### Swimming PP—Year 6

All students PP – Year 6 will attend swimming lessons during Weeks 7 and 8 this term (14-24 March) at Bayswater Waves. Parents of Year 6 students will note there has been a change to swimming venue as our Year 6 students previously attended beach swimming at Mullaloo Beach. This change has been made for a number of reasons including less students attending swimming at the beach, timetabling issues, cost to parents and time out of school for these classes. A swimming timetable will be distributed closer to the time and permission slips are coming home today with the newsletter.. Swimming is a part of our school curriculum and as such, all students are expected to attend.

### Updates to contact details

In case of an emergency, it is important that we have access to up to date and accurate personal information. Please contact the school office as soon as possible if any of the following information has recently changed:

- Telephone numbers: your home, work, mobile or numbers of people listed as emergency contacts
- Your address
- Custody and access information. The office will require the sighting of the original legal documentation for our records.

### School times

Please ensure your child is at school and in his/her classroom ready to commence the day at least 5 – 10 minutes before the beginning of the day, but not prior to 8.30am. Students are not permitted to arrive at school before 8.15am. Students who arrive between 8.15am and 8.30am without parent supervision need to go to the under covered area where they will be supervised by a staff member. Students who arrive after the siren will be recorded as late by classroom teachers. Children arriving late disrupt the educational program for the teacher and other students in the class and miss valuable learning themselves. If you bring your child to school after 9.00am please report to the school office to complete a late form. Parents/guardians of students who continue to be late will be contacted by a member of the student services team.

### Collection of students at the end of the day

All children are required to leave the school grounds promptly after they are dismissed from their class. If you pick your child/children up from school please be punctual as children can become distressed if they are not picked up on time.

Children who have not been collected from school are required to report to the school office where they will be supervised until collected. Please note that the school office closes at 3.30pm. If you are unable to collect your child on time after school, please make alternative arrangements with family or friends for their collection and notify the office or the classroom teacher.

If you are unable to collect your child within this time, please consider the services of after school care centres.

### During school hours

Parents or nominated responsible adults are requested to adhere to the following procedures when picking up a child from school.

Please go to the school office to sign the child out, and if the child is returning to school, please sign the child back in. It is the parents' responsibility to collect and return students from / to class once the necessary forms are completed.

Once the form and student are 'handed' to the teacher, the teacher will have duty of care.

If a responsible adult, not nominated on our records is to collect your child, either a telephone call or written advice by the parent/legal guardian **must** be provided. This person is then required to sign the child out of the school.

If you are escorting your child to the Camboon PS Dental Therapy Centre for an appointment, please go to the office to complete a blue dental form before collecting your child from the classroom.

The above procedure is necessary to ensure the safety of students and to abide by the Department of Education regulations. Under no circumstances are students to leave the school premises during school hours without being accompanied by an adult and without authority from the school.

### Music News

The ukuleles have arrived and students in Years 5 and 6 will begin to learn the ukulele during music lessons next week. All students in Year 3, 4 and 5 will learn the recorder during music lessons before progressing on to the ukulele at a later stage. Recorders were placed on the booklist for year 4 students and students in Year 5 should still have a recorder from last year. As students in Year 3 will have music twice a week this semester I would like to teach them the recorder a year earlier than usual. A note home regarding purchasing or loaning a recorder has will be sent home to all Year 3 students.

**Choir practice will begin next Thursday morning** in the music room before school from 8am for any interested students in Year's 4 to 6. Students can come along for two weeks to see if they enjoy choir before committing for the rest of the year. Final offers will be given to short-listed Year 6 students selected to participate in the classical guitar **School of Instrumental Music** program on Friday. Lessons will be on Monday mornings from 9.15 - 9.45am and will begin in Week 3 after students meet the teacher in Week 2.

### Car parking

We request that parents do not use the staff and canteen car parks, including when dropping off and collecting children. Your co-operation is necessary to ensure the safety of all children. During school hours, cars should park in the Wylde Road Reserve car park or on the streets around the school as sign-posted. Please note there is 'three minute' parking for Kindy/Pre-primary parents and "kiss and drive" areas for all parents in Forder Rd adjacent to the Kindy/Pre-primary. Parking permits for this 'three minute' parking area are allocated to all Kindy/Pre-primary families at the beginning of the year or at enrolment. The Bayswater City Rangers do police the parking by-laws and the staff car park, and infringements are issued for unauthorised use. Designated disabled parking bays are located near the Administration building and behind the canteen for holders of ACROD permits.

## Health Care

Updates to Health Care Plans for students are undertaken regularly at Camboon P.S. If forms are sent home requesting updated information, please complete these and return to the office as soon as possible so that our records are kept current. This is vital for the health and wellbeing of your child. Please be assured that confidentiality is maintained at all times.

## Medical

The following health problems require a doctor's written diagnosis: epilepsy, ADD, ADHD, asthma, diabetes and life threatening allergies. Please contact the school office for further information.

## Nut Policy

Due to the increasing number of children with severe life threatening nut allergies we request that students do not bring foods to school that include nuts.

The products we exclude include peanuts, peanut paste/butter, Nutella and any item containing nuts.

There are other food allergies at school so we insist that children do not swap food or share lunches with other students.

## No Hat No Play

Just a reminder Camboon has a **No Hat No Play** rule and students who do not have a hat will be restricted to the covered assembly area during recess and lunch breaks. If your child has lost or misplaced their hat, they are available for purchase from the uniform shop on Wednesday mornings 8.40am—9.30am
