Agreement

Operator understands MEL acceptance and/or approval through the FAA can take anywhere from a week up to 60 business days, depending on FSDO workload.

Operator understands that the MEL Representative designated on this form must be the first point of contact for the FAA. Any technical questions or changes to the MEL manual requested by the FAA can be directed to Wilding Air. Wilding Air will make every possible effort to get the LOA and/or OpSpecs issued as soon as possible.

By signing this application, you authorize Wilding Air to prepare a MEL manual for the aircraft listed above. The charges for this service (including support through the approval process) is due prior to shipment of the MEL manuals. Wilding Air will not be held responsible or liable for any delays of any type relating to FAA issuance of a Letter of Authorization and/or Operation Specifications.
