

## Sample performance or exhibition attendee questions

- Here are some sample questions developed by Arts Queensland that you may like to consider in developing your survey **for attendees who watch your performance or see your exhibition** (nb: a separate sample survey has been developed for people who actively participate in your activities by making or doing something themselves)
- Key questions for Arts Queensland outcome reports are marked with a star ★
- There are several ways you can administer surveys – face-to-face ‘interview’ or self-completion option using a paper survey or ipad/android applications, or online using one of many online survey tools available
- For more tips on designing surveys, refer to the ‘Developing and implementing surveys’ fact sheet available at [www.arts.qld.gov.au](http://www.arts.qld.gov.au)
