PARENT/GUARDIAN ENROLLMENT AGREEMENT

- I understand that Union Colony Middle School is a public school of choice; I accept and agree to the following school philosophy and requirements and to comply with its policies. I understand that if I decline to abide by requirements and policies, school officials will provide me with information about alternative choices.
- ✓ I understand that Union Colony Middle School is a grade 6 through 7 learning environment designed for students who wish to focus on building the skills and content knowledge that will insure their success in a college preparatory school environment.
- ✓ I understand that UCMS curriculum is an accelerated program in which students are required to take: math, science, language arts, reading, social studies, music, art, physical education and foreign language.
- ✓ As a parent I acknowledge my responsibility to my student by:
 - > Supporting my student's regular and punctual attendance
 - > Providing time and space for homework completion
 - > Encouraging my student to participate to the best of their ability in class activities
 - > Supporting the school's philosophy and behavior code.
- ✓ I also realize that transportation is not provided by the school or the school district. Although some food services are provided at the school, I know and accept that providing a sack lunch from home may be necessary.
- ✓ When taking a student off campus for any reason, parents must sign the student in and out at the school office.
- ✓ I understand if enrollment applications exceed the space available at UCMS, a lottery will be held each year to determine attendees.
- ✓ I understand that Colorado public school enrollment requires participation in state testing including the Colorado Student Assessment Program (CSAP), the Colorado Basic Literacy Act reading ability assessment, and the ACT. I understand all students attending Union Colony Schools will be required to take these assessments.
