WHAT IS FOOD FOR THOUGHT?

This year the **14th annual Food For Thought** welcomes the energetic duo of Nobu Adilman and Daveed Goldman from the latest phenomenon Choir! Choir! Choir! for an evening of music, collaboration, entertainment and community engagement. The event will be held at Whistle Bear Golf Club on **Thursday, November 5, 2015**.

Food For Thought is an annual evening of entertainment held for and within the Cambridge and North Dumfries community. The evening includes a meal, a thought-provoking keynote speaker, and live and silent auctions. Proceeds from the event are directed to our Impact Fund within the Community Foundation to support operational excellence, granting and community initiatives.

Food For Thought has sold out every year and is very popular among the Foundation's supporters. This year, the event will host 300 individuals who live, work, and do business in Cambridge and North Dumfries. Attendees of the event typically range in age from 35 to 80 and are established, community-minded individuals. In addition, we are thrilled that every year the event brings out many up-and-coming, caring community leaders seeking to become more involved.
