This Confidential Report must be both prepared by and signed by the referee named above. Evidence to the contrary will lead to the cancellation of any offer of admission (whether or not accepted), or withdrawal of the student from the University. It is the policy of the University to treat as confidential letters of reference which it receives. It can, however, be required under Freedom of Information legislation to disclose the substance of any letter of reference but only where that can be done without disclosing the identity of the writer.
