My Gingerbread Story

"Partner Check"

Name of Writer: _____

Directions: You must have 3 classmates read over your "sloppy copy" to check for spelling, grammar, or punctuation mistakes. These people can also give you some suggestions for making your writing better. **Ask each person to use a different colored pen, colored pencil, or thin marker to make their comments.** Each partner will write his or her name in the box and then write comments about your paper. Remember, they are only giving suggestions! You don't have to correct the mistakes, but they are just trying to help you improve your paper for the final copy. Do your best work! ☺
