In addition to any costs of enforcement, the Agent/Landlord shall be entitled to immediate possession of the Premises, rents (past due and future), damages, injunctive relief for breach of this Lease, court costs and attorney's fees and any unpaid rent for the entire remaining Lease Term shall become immediately due and payable. If the Agent/Landlord does not pursue lease termination when non-compliance is noted or accepts additional rents, it does not constitute a waiver or acceptance of the non-compliance. The Agent/Landlord reserves the right to take action against non-compliance.

21. ACCESS TO THE PREMISES: The Agent/Landlord or designated representative(s), upon reasonable notice to the Tenant and at reasonable times, may enter the Premises in order to do the following:

Landlord _____ Tenant _____

- A. Inspect the Premises during normal business hours.
- B. Make necessary or agreed upon repairs, decorations, alterations or improvements.
- C. Supply necessary or agreed services.
- D. After notice of termination of this Lease by Agent/Landlord or Tenant or ninety (90) days preceding the expiration of the Lease Term, place a "FOR SALE" sign upon the premises in addition to a Realtor® Lockbox and exhibit the premises to prospective and/or actual purchasers, at reasonable times and during reasonable hours.
- E. After notice of termination of this Lease by Agent/Landlord or Tenant or sixty (60) days preceding the expiration of this Lease Term, place a "FOR RENT" sign upon the Premises in addition to a Realtor® Lockbox and exhibit the Premises to prospective and/or actual lessees, at reasonable times during reasonable hours.

In case of emergency, where it is impractical for the Agent/Landlord to give reasonable notice to the Tenant of the Agent/Landlord's intent to enter the Premises, or in case the Premises have been vacated, abandoned or surrendered by the Tenant, the Premises may be entered by the Agent/Landlord or designated representative(s) without notice and without the consent of the Tenant.

Should it become necessary to make repairs/improvements to the Premises, the Agent/Landlord, whenever possible, shall make arrangements for the workers to coordinate with the Tenant the time and date when workers may enter the Premises to accomplish the work. It then will be the Tenant's responsibility to insure that these workers have access to the Premises at agreed time and date; and that this time and date should be during the regular business hours of the firm doing the work. If the Tenant refuses to allow or prevents the access to the Agent/Landlord as provided herein, the Tenant shall bear any additional expense incurred by the Agent/Landlord. The Agent/Landlord may take legal action to compel access or may terminate this Lease. In either case, the Agent/Landlord may recover actual damages sustained and reasonable attorney's fees.

22. TRANSFER OF LANDLORD: It is agreed that if the Landlord is transferred back to the Washington Metropolitan area by the Landlord's employer or is discharged from active duty with the Armed Forces of the United States or from full time duty or technician status with the Virginia National Guard, the Landlord shall have the right to terminate this lease by giving the Tenant at least **60 (Sixty) days'** notice in writing, whereupon the Tenant shall vacate and surrender possession of the Premises to the Landlord on the termination date.

23. TRANSFER OF TENANT: Under the Servicemembers Civil Relief Act of 2003 ("SCRA"), as it may be amended from time to time, and under Virginia law, a tenant who is a member of the United States Armed Forces or of the National Guard serving full-time duty, or a Civil Service technician with a National Guard Unit ("Military Tenant") has the right to terminate this Lease if such Military Tenant (1) receives orders to depart thirty-five (35) miles or more (radius) from the Premises either for a permanent change of station or for temporary duty for more than three months, (2) is discharged or released from active duty or from full-time duty or technical status, (3) is ordered to report to government-supplied quarters resulting in the forfeiture of basic allowance for quarters, or (4) after entry into military service.

The Military Tenant may terminate this Lease by serving Landlord with written Notice of termination stating the date when termination will be effective. The date of termination shall not be less than thirty (30) days after the first date on which the next rental payment is due after the date on which the written Notice is delivered. In addition, the termination date shall not be more than sixty (60) days prior to the date of departure necessary to comply with the official orders or any supplemental instructions for interim training or duty prior to the transfer. Military Tenant shall attach to Notice of termination a copy of the orders, official notification or orders, or a signed letter from the commanding officer confirming the orders.

24. EARLY TERMINATION OF LEASE: The Tenant shall not be released from liability for rent and/or other charges under this Lease unless the Landlord agrees in writing to release the Tenant from such liability. If Tenant terminates the lease prior to the expiration date, Tenant will be charged a **\$500 early termination fee** and a leasing commission loss fee (if the Landlord is required to pay another fee) which will be determined upon the re-renting of the property. This paragraph is not applicable if a Tenant terminates the Lease under the provisions under paragraph 23. In addition, **Tenants will remain liable for rent, utilities and if appropriate yard maintenance until property is re-rented** or the lease expires or until Landlord expressly and in writing releases Tenant from further obligations under the Lease.. If the property is re-rented for a term less than the original lease term, or at a rental rate lower than what Tenant paid, the Tenant will remain liable for any applicable leasing commissions and any difference in rental rate through the remaining term of the original lease.

25. TENANT CHANGE DURING LEASE TERM: A Tenant change shall not be permitted unless the Landlord consents to the proposed change in writing. A Tenant change constitutes adding a Tenant to, and/or removing a Tenant from, the Lease Agreement during the Lease Term. Tenants wishing to vacate before the end of the Lease Term in a housemate situation, must replace themselves with a qualified Tenant approved by Agent/Landlord and the remaining Tenants at the Premises before the vacating Tenant will be released from all terms and conditions of the Lease Agreement. Written notice is required from the vacating Tenant. An application and a processing fee must be received from the replacement Tenant. Either a new Lease Agreement or an Amendment to the Lease must be executed by all parties for the Tenant change. If an additional Tenant is added to the lease beyond the original number of occupants, the Tenants may be subject to an increase in the monthly rent. **A Tenant-change fee of \$350** per occurrence will be charged if the Tenant change occurs during the current Lease Term. All Tenants agree that Landlord/Agent will not be responsible for returning any portion of the vacating Tenant's security deposit. Remaining Tenants are responsible for assessing any damages and deducting appropriate amounts from the deposit before returning any portion. Tenants remaining on the Lease at the end of the Lease Term will be fully responsible for all damages and agree that all Tenants are jointly and individually responsible for all terms and conditions of the Lease Agreement. Should a Tenant vacate without written notification and replacement of themselves as provided above, it is understood that the vacating Tenant will remain liable under the terms of this lease. No administrative fee will be assessed for Tenant changes made at the end of the Lease Term.

26. BANKRUPTCY: In the event the Tenant is adjudicated as bankrupt, or makes an assignment for the benefit of creditor(s), this Lease, at the option of the Agent/Landlord, shall terminate upon 30 days written notice and the premises shall be surrendered to the Agent/Landlord, who hereby reserves the right to re-enter and repossess the Premises.

27. NO WAIVER: No waiver or oversight of any breach of any covenant, condition or agreement herein contained, or compromise of settlement relating to such a breach shall operate as a waiver of the covenant, condition or agreement itself, or of any subsequent breach thereof. Acceptance of rent or acquiescence in a default shall not operate as a waiver of such default, even though such acquiescence continues for an extended period of time. All individual provisions, paragraphs, sentences, clauses, sections and words in this Lease shall be severable and if one or more such provision, paragraph, sentence clause or word is determined by any court, administrative body or tribunal, having proper jurisdiction, to be in any way unenforceable, or to be in any way in violation of, or in conflict with any law of any applicable jurisdiction, such determination shall have no effect whatsoever on any of the remaining provisions, paragraphs, sentences, clauses, sections or words of this Lease.

28. SUBORDINATION: This Lease is and shall remain subject to all mortgages or deeds of trust now or hereafter affecting the Premises or the building on which the Premises are located. Although the subordination provision of this section shall be deemed automatic, the Tenant shall, within 5 days after the request, execute any and all instruments requested by the Agent/Landlord to evidence such subordination. If the Tenant fails to do so the Tenant irrevocably appoints the Agent/Landlord as the Tenant's attorney-in-fact to execute such instruments for and on behalf of the Tenant. Should Property be foreclosed, Tenant agrees to vacate Premises within 90 (ninety) days of such notice or as agreed in writing between Landlord and Tenant. Tenant agrees to hold Agent harmless and Agent will not be liable for any expenses pursuant to such foreclosure.

29. DEATH OF TENANT OR LANDLORD: If the Tenant(s) or Landlord(s) should die during the Lease Term, the surviving Tenant/Landlord or the estate of the decedent may terminate this Lease by giving 30 days written notice and a copy of the death certificate to the other party. This right of termination of the Lease must be exercised within 90 days following the death of the party.

30. CHECK OUT INSPECTION: Tenant shall provide written request for a check out inspection to Agent/Landlord no later than **Ten (10) days prior to Tenant's intended check out date.** Agent/Landlord shall have the sole discretion in determining the time of the check-out inspection. The Tenant has the right to be present. Agent/Landlord shall make a reasonable effort to advise Tenant of the time and date if the check-out inspection, which inspection shall be made within seventy two (72) hours, weather permitting of termination of occupancy or tenancy, whichever occurs last. The inspection will be made to determine if there are any damages not considered fair wear and tear. More than one inspection may be necessary before all damages can be assessed. Prior to the inspection the Tenant shall:

- A.** Have **carpets cleaned by a professional company** acceptable to the Agent/Landlord and provide a paid receipt. If cleaning is not acceptable or a receipt is not supplied, Agent/Landlord reserves the right to hire another company to re-clean the carpets at the Tenants expense.
- B.** Have the Premises **professionally treated for fleas/ticks if pet(s) have been present** and provide a paid receipt. If pest problems arise after Tenant vacates, Agent/Landlord reserves right to have Premises treated as necessary to eliminate the pests at Tenant expense.
- C.** Tenant(s) must provide a paid receipt at move-out from a professional chimney sweep evidencing an inspection/cleaning has been done.
- D.** **Eliminate any other household pests**, including but not limited to fleas, ticks, roaches, silverfish, ants, crickets and rodents.
- E.** Provide evidence from the fuel/gas company that the appropriate **tank(s) have been refilled, if applicable.**

- H.** **Return all keys, any remotes and garage door openers, fobs, pool passes, parking stickers or permits**, documents including operating manuals, any personal belongings of the Landlord as provided and leave a forwarding address. Failure to return all keys at the time of the final inspection or by 5:00 P.M. of the last day of the lease may result in the locks being re-keyed at the Tenants expense.
- I.** If the property is not **totally** vacant and ready for inspection and all keys and receipts relinquished, Tenant will be assessed \$100 for rescheduling the inspection. Additionally, there will be a \$50 administrative fee for each service that PPM is required to initiate. (i.e., carpets not cleaned, PPM will arrange cleaning and in addition to the cleaning charge, a \$50 fee will be assessed).

31. CONDEMNATION: In the event that the Premises, or any part of the Premises (other than common elements, the taking of which does not prevent continued occupancy of the Premises) is taken by any authority exercising the power of eminent domain, this Lease shall terminate as of the date possession shall be taken by the condemning authority. The Tenant waives all claims against the Agent/Landlord or any condemning authority by reason of the complete or partial taking of the Premises, and shall not be entitled to receive any part of any award which the Landlord may receive, hereby quitclaiming all interest in such award to the Landlord.

32. DESTRUCTION BY CASUALTY: In the event of damage to the Premises by fire or casualty, the Landlord, at its option (a) may repair such damage within a reasonable time after written notice of such damage from the Tenant, or (b) may terminate this Lease by written notice to the Tenant. If the Premises or any part of it is damaged by fire or casualty to such extent that the enjoyment of the Premises is substantially impaired, each such impairment to be agreed by both parties in writing, the Tenant may immediately vacate the Premises and notify the Agent/Landlord in writing within 14 days after such vacation of the intention of the Tenant to terminate this Lease, in which case this Lease shall terminate as of the date of vacation. If however, the damage to the Premises by fire or casualty is caused by the act or omission of the Tenant, or the agents, servants, employees, visitors or licensees of the Tenant, the Tenant shall have no right to terminate this Lease, and the Tenant shall be liable for the rent during the unexpired term of this Lease, without abatement, unless the Landlord elects to terminate this Lease and relieve Tenant from further liability.

33. SALE OF PROPERTY: This Lease does not give the Tenant a right, privilege or option to purchase the Premises.

34. COUNTERPARTS: This Lease may be executed in any number of copies, each of which shall be considered an original but all of which together shall be the same Lease.
