MEMORANDUM OF DECISION

The guardian ad litem for Sarah E. and her siblings appeals from an order entered in the District Court (Springvale, *Douglas, J.*) dismissing the child protection order after the Department of Health and Human Services represented that jeopardy had been resolved. Although the guardian agreed that the order should be dismissed as to the children's mother, he objected to the dismissal as to the children's father. Contrary to the guardian's contentions, the court did not err or abuse its discretion by dismissing the child protection action or refusing to order the Department to petition for termination of the father's parental rights.

The entry is:

Order dismissing child protection order affirmed.
