RE: Grease Trap Agreement

The Campbell County School District and Paintbrush Sanitation agree to extend the original agreement from FY15 for another year with the following changes.

Westwood High School will be pumped twice in FY16 at \$295.00 for the pumping fee, and \$600.00 for the disposal fee per visit. This total will equal \$1,790.00 making the new contract total \$20,656.00 in FY16. Quote is enclosed.

The agreement will be effective July 1, 2015 to June 30, 2016. Please sign and return one (1) copy to me at the above address.

Services will be provided as stated below. Contractor shall notify CCSD one (1) day (24 hours) in advance as to which tanks will be pumped. A CCSD Maintenance Department representative will show the Contractor the exact tank locations and will inspect each tank upon completion of work.

Each tank shall be back-flushed, solids removed and pumped dry for a complete cleaning.

The Contractor will dispose of the effluent in the manner as prescribed and according to the EPA, Federal, State, and Local rules and regulations. Please provide a copy of your current EPA health license.

The Contractor's tank truck, trailer, and/or other equipment used to pump and haul the effluent shall be in good working condition at all times.

As the Contractor, I will provide service for the following items bid:

- *The following locations will be serviced one time between June 1 and August 15 of contract year:*
