

Home Inventory Record

Our goal is to help you get your life “back to normal” in the event that your household items are lost, stolen or damaged. That’s why we’ve prepared this convenient Home Inventory Record to keep track of your possessions. Simply go through each page and list each household item, record any serial numbers, and fill out the replacement value.

Once you’ve completed the inventory record, please store a copy in a safe location (such as a safety deposit box). This record will help make any claim process simpler and less stressful for you in the event of a loss. If you have any questions about your insurance, please contact one of our agents at your nearest Interior Savings Insurance Services branch.
