FOUNDATION DINNER 2013

MATER DEI
FOUNDATION DINNER 2013

YOU ARE INVITED...

This year the Mater Dei Foundation will hold its 13th Fundraising Dinner. Funds raised will benefit the wonderful children of Mater Dei Camden.

Mater Dei's aim is to deliver a holistic education program that attends to the individual learning and social needs of each of our students.

The tremendous success of our previous Foundation Dinners has allowed us to provide much needed funds for community access, school inclusion and work placement programs that are important in helping children and young people with an intellectual disability to become as independent as possible and participating members of their communities.

This year the money raised from the Dinner will help to provide continuing opportunities for student participation in our Community Programs.

This prestigious black-tie event is by invitation only at The Cube Convention and Entertainment Centre at Campbelltown.

The event is attended by over 600 guests, many representing local businesses in the Macarthur region. This year the dinner will be held on Saturday 7 September.

I invite you to attend and support what will be a very special fundraising dinner for all present. To assist with our planning, the Committee would greatly appreciate your completing and returning the enclosed form by Monday 29 July if you wish to attend. I encourage you to contact me or Debbie Gates, our Director of Development, if you have any further queries.

I look forward to your support and to enjoying a wonderful evening together.

Yours sincerely

Tony Fitzgerald
