I acknowledge that I have read the student driving/parking regulations section of the Handbook regarding automobiles and parking and will abide by the regulations. I also understand that any violations of driving or parking regulations will be treated as discipline issues, and can be subjected to fines, and could result in loss of driving privileges on campus. Vehicles parked on school property are under the jurisdiction of the school. The school reserves the right to search any vehicle if reasonable cause exists to do so. Students have full responsibility for the security of their vehicles and will make certain they are locked and their keys are not given to others. Students will be held responsible for any prohibited objects or substances, such as alcohol, drugs, and weapons, that are found in their cars and will be subject to disciplinary action. Searches of vehicles may be conducted at any time there is reasonable cause to do so, with or without the presence of the student.
