

Walk Two Moons

Travel Brochure

Students will create a travel brochure highlighting some of the places that Sal and her grandparents visit.

Directions:

- 1)** Create a travel brochure by folding a plain piece of paper into thirds (can be white copy paper or colored paper, no lined paper).

- 2)** Select 5 places that are visited in the book (example: Yellowstone National Park or Badlands, South Dakota).

- 3)** If possible, find pictures of the places you have chosen and place them on the brochure (or draw them if you cannot find a picture or would prefer to draw them).

- 4)** Write a title and persuasive paragraph for each location, stating reasons that someone would want to visit that location.*

Please color your drawings to make them more appealing to people that may want to travel to that location!

A **persuasive paragraph** should attempt to persuade a person to think the way that you would like them to think. In this assignment, your paragraphs should try to convince someone to travel to the locations that you have chosen by using descriptive terms.
