11 How to Repair Bad Credit PLR Articles Free Preview: Free Annual Credit Report As a consumer in the United States, the Federal Government decided back in 2003 that you are entitled to receive a free annual credit report so you can monitor your credit and your credit rating. The FACT Act was passed unanimously so that all Americans could get a free annual credit report and be able to keep track of what the credit reporting agencies were compiling on them. Free Credit Report Online We live in a society where the Internet nearly rules our lives which is great for people who want to get their free credit report online. Everyone in the United States is entitled to get a free copy of their credit report and the best part is that it is almost instantaneously available online with just a few keystrokes and patience. Free Three Bureau Credit Report There are three major credit reporting bureaus that can offer you a free credit report. They are Experian, Equifax, and Transunion, and all can be found easily online. These three bureaus provide credit reports to everyday consumers, but, unfortunately, you are only entitled to have one credit report for free. Equifax Free Online Credit Report There are three credit report bureaus where you can obtain your free online credit report, one of which is Equifax. Equifax could very well be one of the oldest credit reporting bureaus around as they have been providing lenders with credit reporting services for over one hundred years! California Credit Card Debt Consolidation If you live in the state of California, you are lucky in that you have many choices when it comes to finding a credit card debt consolidation company. Most of the largest credit card debt consolidation companies have branches in California so you will no doubt be able to find someone to help you with your credit card debt. Consumer Credit When we refer to consumer credit, we are talking about the use of credit to finance transactions without having to pay the full amount of the merchandise at the time of checkout. The most common form of consumer credit is a credit card issued by a financial institution. Merchants may also provide financing for products which they sell. Banks may directly finance purchases through loans and mortgages. This type of consumer credit is most often used for cars and homes and other large purchases. CCCS Consumer Credit Counseling Service One of the most prominent companies that exists today in the field

of consumer credit counseling is CCCS Consumer Credit Counseling Services. CCCS has been providing consumer credit counseling services to clients for years and they have a proven track record for getting people out of debt and on the road towards financial freedom.
