The State does not expressly or by implication agree that the actual amount of work will correspond therewith and reserves the right to omit portions of the work as may be deemed necessary or advisable by the State.
2. In the case of a discrepancy between the Unit Price (e.g., Hourly Rate, Cost per Service) and Item Total (e.g., Hourly Rate x Hours Worked = Item Total), the Unit Price shall prevail. However, if the Unit Price figure is ambiguous, illegible, uncertain, or is omitted, the Item Total shall be divided by the estimated usage (e.g., Hours Worked) to determine the Unit Price. 3. The amount of the total bid will be rounded up to the nearest whole dollar when the Agreement documents resulting from this bid are prepared.

A lump sum total for all services stated herein must be entered on Exhibit B-1 Rate Sheet. Bidder shall set forth rates in clear, legible figures in the spaces provided in Exhibit B-1. Failure to provide the required lump sum total shall be cause for rejection of your bid.

Additionally, an original, signed copy of all pages of the Contractor Certification Clause (CCC) must be submitted to CDCR with the completed bid package. The State reserves the right to request clarification of any documents included with this bid.

The bid must be for the entire activity described herein. The State does not accept alternate contract language from a prospective Contractor. A bid with such language will

be considered a counter proposal and will be rejected. Additionally, bids may be rejected if the bid proposal shows any alterations of form, additions not called for, a conditioned or incomplete bid, or erasures and/or irregularities of any kind. Any bid amounts changed after the amounts are originally inserted **MUST** be initialed in ink by the bidder.

Failure to submit required documentation may result in the rejection of your bid.

IX. NONRESPONSIBLE BIDDER

Any Contractor who has been terminated from an Agreement by the State within the last two (2) fiscal years due to poor performance may be rejected on the basis of nonresponsibility.

X. BASIS FOR AWARD

The award of an Agreement, if it is to be awarded, will be made to the lowest responsible bidder whose bid complies with all requirements prescribed herein. In the event a bidder submits more than one (1) bid for the same institution/service under this bid process, the State shall select the lowest bid and reject all other bids from this bidder.

In the event of tie bids, except as provided in Government Code §14838(f), CDCR reserves the right to determine the bidder entitled to the contract award based on the percent of discount specified in Exhibit B-1, if applicable. If not applicable or if there is a discount tie, a coin toss or lot drawing will be used to determine the bidder entitled to the contract award. The coin toss or lot drawing will be officially witnessed and all affected bidders will be advised of the tiebreaker method and invited to attend.

The State is not required to award an Agreement and reserves the right to reject any and all bids and to waive any immaterial deviations in the bid. The State's waiver of an immaterial deviation shall in no way modify the IFB document or excuse the bidder from full compliance with all requirements if awarded the Agreement.

XI. GENERAL PREVAILING RATE OF WAGES

In accordance with the provisions of Section 1774 of the California Labor Code, the Contractor and any subcontractors shall conform to the general prevailing rate of wages as determined by the Director of the Department of Industrial Relations. Copies of the wage rate determinations or any amendments thereto issued by the Director of the Department of Industrial Relations are on file with CDCR.

XII. AGREEMENT EXECUTION

The Agreement will be executed only upon the State's acceptance of the Contractor's certificates of insurance, bonds, licenses, and permits, when such items are required. Should the Contractor fail to commence work at the agreed-upon date and time, the State, upon five (5) days written notice to the Contractor, reserves the right to terminate the Agreement.

The successful bidder shall enter into an Agreement with the State, which will be prepared on a State of California Standard Agreement (STD 213 form, sample attached) and shall include from this IFB Exhibits A, B, B-1 and D.

This Agreement will not include a hard copy of the General Terms and Conditions for Private Contractors (Exhibit C), which is incorporated into the Agreement by reference only on the STD 213. Also not provided is a hard copy of the Contractor Certification Clauses (CCC). Exhibit C and the CCC may be downloaded from the Internet at www.ols.dgs.ca.gov/standard+language and printed for your files. An original, signed copy of all pages of the CCC must be submitted to CDCR. Failure to submit a signed CCC may result in rejection of your bid.

After award, two (2) original Standard Agreements will be forwarded to the Contractor for signature. Upon receipt, the Contractor must sign each Agreement with an original signature and return all Agreements with any required documentation in accordance with the time frame specified in the transmittal letter. In the event the State has not received the signed Agreements and the required documentation within the specified time frame, the award may be rescinded and awarded to the next lowest responsible bidder.

This Agreement is not valid unless and until approved by the Department of General Services, or, under its authority CDCR. The State has no legal obligation unless and until the Agreement is approved. Any work commenced by the Contractor prior to approval may be considered voluntary and the Contractor may have to pursue claim for payment by filing with the California Victim Compensation and Government Claims Board. When the Agreement is fully approved, a copy will be forwarded to you.

XIII. EXTENSION OF TERM

This Agreement may be amended to extend the term, if it is determined to be in the best interest of the State. Upon signing the amendment, Contractor hereby agrees to provide services for the extended period at the rates specified in the original Agreement.

XIV. DISABLED VETERAN BUSINESS ENTERPRISE (DVBE) PROGRAM

NOTE: Bidders need to begin the required DVBE participation process as soon as possible to allow adequate response time for DVBE participants.

- a. DVBE participation of no less than 3 percent is **mandatory** for all bids exceeding \$15,000. These requirements apply whether conducting business as a for-profit or nonprofit individual, partnership or corporation. In order to be deemed responsive and eligible for award of the Agreement, the bidder **must** attain the prescribed goals.

For more information, bidders have been provided with a DVBE Program Requirements resource packet. Additionally, to document DVBE participation, bidders **must** complete and return the Bidder Declaration form (GSPD-05-105) and the DVBE Declarations form (STD 843) attached to this IFB. Failure to complete and submit **all** required forms with the bid, that fully document and meet the DVBE requirement, will cause the bid to be rejected.

- b. The DVBE participation goals must be based on the total amount of the bid proposal.
- c. Failure to submit the completed worksheets with the bid proposal will result in automatic rejection of your bid. Your bid will also be rejected if the DVBE requirement is not met.

- d. Proof of Department of General Services (DGS) DVBE certification for your firm and/or subcontractors must be submitted with your DVBE Participation Worksheets.

XV. DISABLED VETERAN BUSINESS ENTERPRISE (DVBE) INCENTIVE

CDCR is committed to meeting and exceeding the 3 percent goal for Disabled Veteran Business Enterprise (DVBE) participation in State contracting activities, set forth in Military and Veterans Code 999. The DVBE Incentive Program applies to all contracting activities for services including public works, construction, services, leasing, materials testing, and other related contracts. The DVBE incentive is applied during the evaluation process and is only applied to responsive bids from responsible bidders proposing DVBE participation. This incentive is for bid computation only.

To be eligible for the DVBE incentive, the business must:

1. Complete DVBE Incentive Request and Subcontractor Acknowledgement form (OBS 554) and submit with bid proposal.
2. Have a completed DVBE application on file with DGS, OSDS by 5:00 p.m. on the date bids are due.

For certification and preference approval process information, contact the DGS OSDS by telephone at (916) 375-4940 or access the DGS OSDS Internet website at <http://www.pd.dgs.ca.gov/dvbe/default.htm>

Award Based on Low Price

The incentive shall be equal to a bidder's DVBE participation level (rounded to the nearest two decimal places).

DVBE PARTICIPATION LEVEL	INCENTIVE APPLIED
3.0 UP TO 3.99%	3%
4.0 UP TO 4.99%	4%
5.0 UP TO 5.99%	5%

1. The incentive is subject to a minimum of one percent (1%) and a maximum of five percent (5%) and will not exceed \$500,000. Bids with DVBE participation of more than five (5%) percent will be calculated with a five percent (5%) incentive.
2. Bidders with DVBE participation of less than the required percentage listed in the solicitation will be deemed non-responsive and eliminated from any further participation.
3. The Small Business Preference (five percent (5%) up to \$50,000) may be combined with the DVBE incentive but will not exceed a combined total of \$500,000.
4. The DVBE incentive is computed from the lowest responsive and responsible bid price.

XVI. SMALL BUSINESS PREFERENCE PROGRAM

Current law encourages state departments to first consider a Small Business (S/B) Enterprise/Microbusiness (M/B) Enterprise for contracting opportunities. CDCR is committed to supporting Small/Micro Business participation in state contracting and seeks to use certified Small/Micro Businesses whenever possible.

A Small/Micro Business enterprise is defined as a business certified by the Department of General Services (DGS), Office of Small Business and Disabled Veteran Business Enterprise Certification Services (OSDS) in which:

1. The principal office is located in California
2. The officers are domiciled in California
3. The business is independently owned and operated
4. The business, with any affiliates, is not dominant in its field of operation; and
 - a. For Small Business, either:
 - (1) The business, together with any affiliates, has 100 or fewer employees and averaged annual gross receipts of \$14,000,000 or less over the previous three years, or
 - (2) The business is a manufacturer with 100 or fewer employees
 - b. For Micro Business, either:
 - (1) The business, together with any affiliates, has 25 or fewer employees and averaged annual gross receipts of \$3,500,000 or less over the previous three years, or
 - (2) The business is a manufacturer with 25 or fewer employees.

Section 14835, et seq., of the California Government Code requires that a five percent (5%) preference be given to bidders who certify as a Small/Micro Business enterprise. The rules and regulations of this law are contained in Title 2, California Code of Regulations, Section 1896, et seq. A copy of the regulation is available upon request.

To claim the Small/Micro Business preference, which may not exceed \$50,000 for any bid, your firm must:

1. Have a completed application (including proof of annual receipts) on file with the DGS, OSDS, by 5:00 p.m. on the date bids are due, and
2. Receipt of documents verified by such office.

Therefore, if you are a Small/Micro Business, but are not certified, it is to your advantage to become certified. For certification and preference approval process information, contact the OSDS by telephone at (916) 375-4940 or access the OSDS Internet website at www.pd.dgs.ca.gov/smbus/getcertified.htm.

XVII. NON-SMALL BUSINESS PREFERENCE REQUEST

Pursuant to Title 2, CCR Section § 1896, et seq., and GC Section § 14838, et seq., a bid preference of five percent (5%) is available to a responsive non-small business claiming no less than twenty-five percent (25%), Small Business/Micro Business (SB/MB)

subcontractor participation with one or more SB/MB enterprises. This preference is considered only if the tentative low bidder is not a certified SB/MB.

In granting the Non-Small Business Preference, no bid price will be reduced by more than \$50,000. This preference cost adjustment is for bid evaluation purposes only and does not alter the actual cost offered by the bidder.

A non-small business is defined as a responsive/responsible bidder that is not certified by the DGS OSDS as a SB/MB enterprise.

To be eligible for the non-small business preference, the business prime vendor must complete and submit the Non-Small Business Preference Request and Subcontractor Acknowledgement form (OBS 555) with their bid proposal.

XVIII. NONPROFIT VETERAN SERVICE AGENCY (NVSA) SMALL BUSINESS PREFERENCE

Pursuant to Military and Veteran Code Section 999.50 et seq., Nonprofit Veteran Service Agencies (NVSAs) claiming Small/Micro Business preference and verified as such in the relevant category or business type, will be granted a preference of five percent (5%) of the lowest responsive bid, if the lowest responsive bid is submitted by a bidder not certified as a Small/Micro Business.

In granting Small/Micro Business preference to NVSAs, no bid will be reduced by more than \$50,000. The preference cost adjustment is for computation purposes only and does not alter the actual cost offered by the bidder.

To be eligible for the NVSA Small/Micro Business Preference, the business concern must:

1. request preference at the time of bid submission, and
2. must possess a valid certification prior to bid submission.

An SB/NVSA is not subject to the same standards as other certified Small/Micro businesses. SB/NVSA standards are identified in Military and Veterans Code Section 999.51(a) (3).

XIX. IDENTIFICATION OF CONTRACTORS, SUBCONTRACTORS, CONSULTANTS: SMALL/MICRO BUSINESS AND DVBS

CDCR must identify all contractors, subcontractors, and consultants who will provide labor or render services in the performance of this Agreement and further identify whether any of the listed subcontractors and consultants are a certified Small/Micro business, or a certified DVBE. Therefore, the bidder must complete a Bidder Declaration (GSPD-05-105). If any changes occur in the submitted original GSPD-05-105, the Contractor shall notify the Office of Business Services (OBS), in writing within ten (10) working days of those changes, including any changes to Small/Micro business or DVBE status.

CDCR asks that you encourage any subcontractor(s) and/or consultant(s) not currently certified as a Small/Micro business or DVBE that may meet the certification requirements specified herein to become certified through the DGS, OSDS. Please

provide those subcontractor(s)/consultant(s) the OSDS contact and certification information provided above.

If you are a certified Small/Micro business enterprise and fail to complete the Prime Contractor information of the CDCR Bidder Acknowledgement/Certification form (OBS 300), your business shall be classified as a large business, which will preclude your bid from receiving the five percent (5%) Small/Micro business preference and can cause incorrect reporting of Small/Micro business and large business participation by CDCR.

If you are a certified DVBE and fail to specify that information on the CDCR Bidder Acknowledgement/Certification form, (OBS 300) your business shall be classified as a large business, which will preclude your bid from receiving any range of the DVBE incentive and cause incorrect reporting of DVBE participation by CDCR.

XX. BIDDER PROVIDING FACILITY(IES)

Bidders providing facility(ies) for their services must specify the complete address(es) of the facility(ies) where the services will be performed in the appropriate section on the Bidder Acknowledgement/Certification form (OBS 300) in the spaces provided.

The bidder hereby authorizes the State to insert the bidder's facility(ies) as listed in the CDCR Bidder Acknowledgement/Certification form (OBS 300) into the contract Exhibit A Scope of Work.

If a conflict arises between the provisions of the Plans and Specifications and any such statute, rule or regulation, the Contractor shall notify the State at once in writing. If, before receiving clarification, the Contractor performs any portion of the work affected by the conflict, any performance shall be at the Contractor's own risk and he/she shall not be entitled to any additional compensation.

The Contractor shall be liable for damage to any person or property resulting from defects in the work or, obstructions throughout the term of the contract or at any time before acceptance of the completed work.

b. Permits and Licenses

The Contractor shall be an individual or firm licensed to do business in California and shall obtain at Contractor's expense all license(s) and permit(s) required by law for accomplishing all work required in connection with this Agreement.

In the event any license(s) and/or permit(s) expire during the term of this Agreement, Contractor agrees to provide CDCR with a copy of the renewed license(s) and/or permit(s) within thirty (30) days following the expiration date. In the event the contractor fails to maintain all required license(s) and permit(s), the State may, in addition to any other remedies it may have, terminate this Agreement upon occurrence of such event.

Pursuant to the Business and Professions Code, Division 3, Chapter 9, it is a misdemeanor for any person to submit a bid to a public agency in order to engage in the business or act in the capacity of a Contractor within this State without having the required license except in any of the following cases:

1. The person is exempted from the provisions of this chapter; or
2. The bid is submitted on a State project governed by California Public Contract Code section 10164.

This chapter shall not apply to a joint license as required by Business and Professions Code section 7029.1. However, if the Contractor makes the bid as a joint venture, each person submitting the bid shall be subject to this chapter with respect to his/her individual license.

professional engineer to form joint ventures with licensed contractors to render services within the scope of their respective practices.

A licensed Contractor shall not submit a bid to a public agency unless his/her contractor's license number and class appear clearly on the bid, the license expiration date is stated, and he/she has signed a certification statement that the representations made in the bid with regard to the license number, class and expiration date are made under penalty of perjury. Any bid not containing this information or a bid containing information that is subsequently proven false shall be considered non responsive and shall be rejected.

c. Permits and Certifications from State Board of Equalization

This solicitation and any resulting contract shall be subject to all requirements as set forth in Sections 6487, 7101 and sections 6452.1, 6487.3, 18510 of the Revenue and Taxation Code, and section 10295.1 of the Public Contract Code requiring suppliers to provide a copy of their reseller's permit or certification of registration and, if applicable, the permit or certification of all participating affiliates, issued by California's State Board of Equalization. Failure of the supplier to comply by supplying the required permit or certification will cause the supplier's bid response to be considered non-responsive and their bid rejected. Unless otherwise specified in this solicitation, a copy of the reseller's permit or certification of registration must be supplied within five (5) state business days of the request made by the State.

d. Bonds

If the contract price exceeds \$25,000, the successful bidder shall furnish an original payment bond and a duplicate copy to accompany the contract in an amount not less than one hundred percent (100%) of the total amount payable under the contract. The bond MUST be prepared on CDCR's STD 807 form, Payment Bond to Accompany Construction Contract, provided to the Contractor by CDCR before execution of the contract.

If progress payments are provided for in the bid and the contract amount exceeds \$10,000, the successful bidder shall furnish an original faithful performance bond and a duplicate copy in a sum not less than one hundred percent (100%) of the total amount payable under the contract.

These bonds must be executed by an admitted surety insurer that is licensed to transact surety business in the State of California and appears in the California Department of Insurance's listing as a surety bond provider.

NOTE: California Public Contract Code section 4108 mandates that a prime Contractor only require bonds from subcontractors if the prime Contractor had clearly specified the amount and requirements of the bond or bond(s) in the prime Contractor's written or published request for sub-bids. Failure to adhere to this requirement shall preclude the prime Contractor from imposing bond requirements under this section.

e. Prevailing Wage Rates

The Director of the Department of Industrial Relations has ascertained general prevailing wage rates in the county in which the work is to be performed. Upon request, the State shall furnish to the Contractor a copy of such prevailing wage rates that the Contractor shall post at the job site.

The prevailing wage rates set forth are the minimum that shall be paid by the Contractor. Nothing contained herein shall be construed as preventing the Contractor from paying more than the minimum prevailing wage rates. No extra compensation will be allowed by the State due to the Contractor's inability to hire labor at minimum rates

If it becomes necessary to employ work classifications other than those listed in the bid, the Contractor shall notify the State immediately and the State will ascertain the additional prevailing wage rates from the date of initial payment.

The Contractor shall comply with all prevailing wage rate requirements and shall be subject to all restrictions and penalties in accordance with California Labor Code sections 1770 - 1780.

2. Contract Disputes (Supersedes provision number 6, Disputes, of Exhibit C)

As a condition precedent to contractor's right to institute and pursue litigation or other legally available dispute resolution process, if any, contractor agrees that all disputes and/or claims of contractor arising under or related to the Agreement shall be resolved pursuant to the following processes. Contractor's failure to comply with said dispute resolution procedures shall constitute a failure to exhaust administrative remedies.

Pending the final resolution of any such disputes and/or claims, contractor agrees to diligently proceed with the performance of the Agreement, including the delivering of goods or providing of services. Contractor's failure to diligently proceed shall constitute a material breach of the Agreement.

The Agreement shall be interpreted, administered, and enforced according to the laws of the State of California. The parties agree that any suit brought hereunder shall have venue in Sacramento, California, the parties hereby waiving any claim or defense that such venue is not convenient or proper.

a. Final Payment

The acceptance by the Contractor of final payment shall release the California Department of Corrections and Rehabilitation (CDCR) from all claims, demands and liability to contractor for everything done or furnished in connection with this work and from every act and neglect of CDCR and others relating to or arising out of this work except for any claim previously accepted and/or in process of resolution.

b. Informal Appeal

Contractor and the program or institution contract liaison, or other designated CDCR employee of the unit for which the goods are being delivered or the service is being performed, shall first attempt in good faith to resolve the dispute or claim by informal discussion(s). Contractor shall identify the issues and the relief sought. Informal discussion(s) between contractor and contract liaison, or the designated CDCR employee, shall be written, dated, and signed by the authors.

The program or institution contract liaison shall issue an informal written statement to contractor regarding the dispute within fifteen (15) calendar days following settlement or an impasse in the informal discussion(s) process. The written statement shall either: (1) document the dispute settlement and what, if any, conditions were reached; or, (2) document the reason(s) the dispute could not be resolved informally and provide notification to contractor of its option to file a formal appeal within thirty (30) days of the informal statement. One (1) copy of the informal statement and the discussion(s) on which it is based shall be forwarded immediately to the Office of Business Services (OBS) for inclusion in the Agreement file.

c. Formal Appeal

If the dispute or claim is not resolved to contractor's satisfaction by the informal appeal process, contractor may file with the Associate Director of OBS a formal written appeal within thirty (30) calendar days of the date of CDCR's informal written decision. The formal written appeal shall be addressed as follows:

Subject
Associate Director
Office of Business Services
California Department of Corrections and Rehabilitation
10000 Goethe Road, Suite C-1
Sacramento, CA 95827

Contractor shall specify in the formal written appeal the issue(s) in dispute, the particular relief or remedy sought, the factual basis for contractor's claim or dispute, and contractor's legal, technical and/or other authority upon which contractor bases its claim or dispute.

The formal written appeal shall include a written certification signed by a knowledgeable company official under the penalty of perjury according to the laws of the State of California pursuant to California Code of Civil Procedure section 2015.5 that the dispute, claim, or demand is made in good faith, and that the supporting data are accurate and complete. If an Agreement adjustment is requested, the written certification shall further state under penalty of perjury that the relief requested accurately reflects the Agreement adjustment for which the CDCR is responsible.

If contractor is a corporation, the written certification shall be signed by an officer thereof. If contractor is a sole proprietorship or partnership, it shall be signed by an owner or full partner. If contractor is other than a corporation, sole proprietorship or partnership, it shall be signed by a principal of the company with authority to bind the company.

The Associate Director of OBS shall issue a formal written decision on behalf of CDCR

within thirty (30) calendar days of receipt of the properly addressed formal written appeal. If mutually agreed by the parties, the date for the issuance of CDCR's final written decision may be extended.

d. Further Resolution

If the dispute is not resolved by the formal appeal process to contractor's satisfaction, or contractor has not received a written decision from the Associate Director of OBS after thirty (30) calendar days, or other mutually agreed extension, contractor may thereafter pursue its right to institute other dispute resolution process, if any, available under the laws of the State of California.

e. Contract Disputes with Public Entities

A county, city, district or other local public body, state board or state commission, another state or federal agency, or joint-powers authority shall resolve a dispute with CDCR, if any, through a meeting of representatives from the entities affected. If the dispute cannot be resolved to the satisfaction of the parties, each entity may thereafter pursue its right to institute litigation or other dispute resolution process, if any, available under the laws of the State of California.

3. Right to Terminate (Supersedes provision number 7, Termination for Cause, of Exhibit C)

The State reserves the right to terminate this Agreement subject to thirty (30) calendar day's written notice to the contractor. Contractor may submit a written request to terminate this Agreement only if the State should substantially fail to perform its responsibilities as provided herein.

Additionally, the State reserves the right to terminate this Agreement subject to thirty (30) calendar days written notice to the contractor should it be later identified as a service which can be consolidated into a statewide/regionalized Agreement. The State may exercise its option to cancel the remaining years of this Agreement, should it be decided that with additional institutions and/or sites, the State will receive a better rate for the same service.

However, the Agreement can be immediately terminated for cause. The term "for cause" shall mean that the contractor fails to meet the terms, conditions, and/or responsibilities of the Agreement. In this instance, the Agreement termination shall be effective as of the date indicated on the State's notification to the contractor.

This Agreement may be suspended or cancelled without notice, at the option of the contractor, if the contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the contractor is unable to render service as a result of any action by any governmental authority.

4. Contract Suspension

Notwithstanding any other provisions of this Agreement, pursuant to a Governor's Executive Order or equivalent directive, such as a court order or an order from a federal or state regulatory agency, mandating the suspension of state contracts, the State may issue a Suspension of Work Notice. The Notice shall identify the specific Executive Order or directive and the Agreement number(s) subject to suspension. Unless specifically stated otherwise, all performance under the Agreement(s) must stop immediately upon receipt of

the Notice. During the period of contract suspension, Contractor is not entitled to any payment for the suspended work. Once the order suspending state contracts has been lifted, a formal letter from the Department will be issued to the Contractor to resume work.

5. Responsibility Hearing

If this Agreement is terminated for cause, CDCR reserves the right to conduct a responsibility hearing to determine if the contractor is a responsible bidder before an award of future Agreements can be made.

6. Confidentiality of Data

All financial, statistical, personal, technical and other data and information relating to State's operation, which are designated confidential by the State and made available to carry out this Agreement, or which become available to the contractor in order to carry out this Agreement, shall be protected by the contractor from unauthorized use and disclosure.

If the methods and procedures employed by the contractor for the protection of the contractor's data and information are deemed by the State to be adequate for the protection of the State's confidential information, such methods and procedures may be used with the written consent of the State. The contractor shall not be required under the provisions of this paragraph to keep confidential any data already rightfully in the contractor's possession that is independently developed by the contractor outside the scope of the Agreement or is rightfully obtained from third parties.

No reports, information, inventions, improvements, discoveries, or data obtained, repaired, assembled, or developed by the contractor pursuant to this Agreement shall be released, published, or made available to any person (except to the State) in violation of any State or federal law.

Contractor by acceptance of this Agreement is subject to all of the requirements of California Government Code Section 11019.9 and California Civil Code Sections 1798, et seq., regarding the collection, maintenance, and disclosure of personal and confidential information about individuals.

7. Nondiscrimination Clause

Contractor agrees that no person, on the basis of ethnic group identification, religion, age, sex, color or physical or mental disability, will be lawfully denied the benefits of (or be discriminated under) any program funded by the State in accordance with California Government Code sections 11135-11139.5.

Contractors and subcontractors shall ensure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (California Government Code section 12900 et seq.) and the applicable regulations transmitted hereunder (Cal Code of Regs., tit. 2, § 7285.0 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing California Government Code section 12990 are set forth in the California Code of Regulations, title 2, § 8107, and are incorporated into this contract by reference and made a part hereof. Contractor and its subcontractors shall give written notice of their obligations under this

clause to labor organizations with which they have a collective bargaining or other agreement. Contractor shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the contract.

The "Nondiscrimination Clause" set forth and referenced herein is applicable to all nonexempt State construction contracts and subcontracts and to the "Standard California Nondiscrimination Construction Contract Specifications" set forth below, which is applicable to all nonexempt State construction contracts and subcontracts of \$5,000 or more.

a. As used in the Specifications:

1. "Administrator" means Administrator, Office of Compliance Programs, California Department of Fair Employment and Housing or any person to whom the Administrator delegates authority.

2. "Minority" includes:

(a) Black (all persons having primary origins in any of the black racial groups of Africa, but not of Hispanic origin);

(b) Hispanic (all persons of primary culture or origin in Mexico, Puerto Rico, Cuba, Central or South America or other Spanish derived culture or origin regardless of race);

(c) Asian/Pacific Islander (all persons having primary origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent or the Pacific Islands);

(d) American Indian/Alaskan Native (all persons having primary origins in any of the original peoples of North America and who maintain culture identification through tribal affiliation or community recognition).

b. Whenever the Contractor or any subcontractor subcontracts a portion of the work, including work involving a construction trade, it shall include in each subcontract of \$5,000 or more the nondiscrimination clause directly or through incorporation by reference.

c. The Contractor shall implement all of the specific nondiscrimination standards provided in Paragraph e of these Specifications.

d. The nondiscrimination clause shall contain a provision requiring contractors and subcontractors to give written notice of their obligations under that clause to labor organizations with which they have a collective bargaining or other agreement pursuant to California Government Code section 12990.

e. The Contractor shall take specific actions to implement its nondiscrimination program. The evaluation of the Contractor's compliance with these Specifications shall be based upon its effort to achieve maximum results from its actions. The Contractor must be able to fully demonstrate its efforts under all of the following:

1. Ensure and maintain a working environment free of harassment, intimidation and

- coercion at all sites and at all facilities where the Contractor's employees are assigned. The Contractor, where possible, will assign two or more women to each construction project. The Contractor shall specifically ensure that all foremen, superintendents and other on-site supervisory personnel are aware of and carry out the Contractor's obligations to maintain such a working environment with specific attention to minority or female individuals working at such sites or in such facilities;
2. Provide written notification within seven days to the Director of the California Department of Fair Employment and Housing when the union(s) with which the Contractor has a collective bargaining agreement with have not referred a minority person or woman to the Contractor or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations;
 3. Disseminate the Contractor's equal employment opportunity policy by providing notice of the policy to unions through training, recruitment and outreach programs by posting the company policy on bulletin boards which are accessible to all employees at each location where construction work is performed and requesting the union's cooperation in assisting the Contractor to meet its obligations;
 4. Ensure all personnel making management and employment decisions regarding hiring, assignment, layoff, termination, conditions of work, training, rates of pay or other employment decisions, including all supervisory personnel, superintendents, general foremen, on-site foremen, etc., are aware of the Contractor's equal employment opportunity policy and obligations in order to discharge their responsibilities accordingly; and
 5. Ensure that seniority practices, job classifications, work assignments and other personnel practices do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the Contractor's obligations under these Specifications are being carried out.
- f. Contractors are encouraged to participate in voluntary associations that assist in fulfilling the equal employment opportunity obligations. The efforts of a contractor association, joint contractor-union, contractor-community or other similar groups of which the Contractor is a member and participant may be asserted as fulfilling any one or more of its obligations under these Specifications provided that the Contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation and can provide access to documentation that demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's.
 - g. The Contractor is required to provide equal employment opportunity for all protected classes pursuant to the California Fair Employment and Housing Act located in Government Code section 12990 et seq.
 - h. Establishment and implementation of a bona fide affirmative action plan pursuant to California Code of Regulations, title 2, section 8104(b), shall create a presumption that a Contractor is in compliance with the requirements of California Government Code

section 12990 and its implementing regulations.

- i. The Contractor shall not use nondiscrimination specifications to discriminate against any person because of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition (cancer), age (over 40), marital status, and denial of family care leave.
- j. The Contractor shall not enter into any subcontract with any person or firm decertified from State contracts pursuant to California Government Code section 12990.
- k. The Contractor shall carry out such sanctions and penalties for violation of these Specifications and the nondiscrimination clause including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered pursuant to California Government Code section 12990 and its implementing regulations by the awarding agency. Any Contractor who fails to carry out such sanctions and penalties shall be in violation of these Specifications and California Government Code section 12990.
- l. The Contractor shall designate an employee responsible for monitoring all employment related activity to ensure that the company's equal employment opportunity policy is being carried out, submit reports relating to the provisions required by the Office of Compliance Programs and keep records. For each employee, records shall include the name, address, telephone numbers, construction trade, union affiliation (if any), employee identification number when assigned, social security number, race, sex, status (e.g., mechanic, apprentice trainee, helper or laborer), dates of change in status, hours worked per week in the indicated trade, rate of pay and locations where the work was performed. Records shall be maintained in any easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

8. Contractor's Waiver

Neither the State nor any of its officers or employees shall be liable for: loss or damage to the Contractor's work or any part thereof or to any of the materials used in performing the work; injury to any person(s), either workers or the public and for damage to property due to the Contractor's intentional or negligent acts that might have been prevented by the Contractor or anyone employed by him/her. In addition to any remedy authorized by law, any money due the Contractor under the contract may be retained by the State until final disposition of the lawsuit, legal action(s) or claims. This provision shall not be construed as precluding the State from enforcing any right to offset any current contract the Contractor may have with the State as to any money owed to the State.

9. Indemnification (supersedes the Indemnification clause of Exhibit C)

To the extent permitted by law, Contractor agrees to indemnify, defend and hold harmless the State, its officers and employees from any and all claims, losses, and damages accruing or resulting to any and all persons, firms or corporations furnishings or supplying services or supplies, resulting from or in connection with the Contractor's performance of this Agreement, and from any and all claims, losses and damages accruing or resulting to any and all persons, firms or corporations who may suffer bodily injury or damage to property by Contractor's performance of this Agreement.

10. Liability for Loss and Damages

Any damages by the contractor to the State's facility including equipment, furniture, materials or other State property, will be repaired or replaced by the contractor to the satisfaction of the State at no cost to the State. The State may, at its option, repair any such damage and deduct the cost thereof from any sum due contractor under this Agreement.

11. No Personal Liability

CDCR, the Director, nor any other officer or authorized employee of CDCR shall be personally liable for any actions arising under this contract.

12. Conflict of Interest

The contractor and their employees shall abide by the provisions of Government Code (GC) Sections 1090, 81000 et seq., 82000 et seq., 87100 et seq., and 87300 et seq., Public Contract Code (PCC) Sections 10335 et seq. and 10410 et seq., California Code of Regulations (CCR), Title 2, Section 18700 et seq. and Title 15, Section 3409, and the Department Operations Manual (DOM) Section 31100 et seq. regarding conflicts of interest.

a. Contractors and Their Employees

Consultant contractors shall file a Statement of Economic Interests, Fair Political Practices Commission (FPPC) Form 700 prior to commencing services under the Agreement, annually during the life of the Agreement, and within thirty (30) days after the expiration of the Agreement. Other service contractors and/or certain of their employees may be required to file a Form 700 if so requested by CDCR or whenever it appears that a conflict of interest may be at issue. Generally, service contractors (other than consultant contractors required to file as above) and their employees shall be required to file an FPPC Form 700 if one of the following exists:

1. The Agreement service has been identified by CDCR as one where there is a greater likelihood that a conflict of interest may occur;
2. The contractor and/or contractor's employee(s), pursuant to the Agreement, makes or influences a governmental decision; or

The form CDCR 7336 will be provided by CDCR upon contractor's request.

57. Clothing Restrictions

While on institution grounds, contractor and all its agents, employees, and/or representatives shall be professionally and appropriately dressed in clothing distinct from that worn by inmates at the institution. Specifically, blue denim pants and blue chambray shirts, orange/red/yellow/white/chartreuse jumpsuits and/or yellow rainwear shall not be worn onto institution grounds, as this is inmate attire. The contractor should contact the institution regarding clothing restrictions prior to requiring access to the institution to assure the contractor and their employees are in compliance.

58. Tobacco-Free Environment

Pursuant to Penal Code Section 5030.1, the use of tobacco products by any person on the grounds of any institution or facility under the jurisdiction of the Department of Corrections and Rehabilitation is prohibited.

59. Prison Rape Elimination Policy

CDCR is committed to providing a safe, humane, secure environment, free from sexual misconduct. This will be accomplished by maintaining a program to ensure education/prevention, detection, response, investigation and tracking of sexual misconduct and to address successful community re-entry of the victim. CDCR shall maintain a zero tolerance for sexual misconduct in its institutions, community correctional facilities, conservation camps and for all offenders under its jurisdiction. All sexual misconduct is strictly prohibited.

As a contractor with CDCR, you and your staff are expected to ensure compliance with this policy as described in Department Operations Manual, Chapter 5, Article 44.

60. Security Regulations

- a. Unless otherwise directed by the entrance gate officer and/or Contract Manager, the contractor, contractor's employees and subcontractors shall enter the institution through the main entrance gate and park private and nonessential vehicles in the designated visitor's parking lot. Contractor, contractor's employees and subcontractors shall remove the keys from the ignition when outside the vehicle and all unattended vehicles shall be locked and secured while on institution grounds.
- b. Any State- and contractor-owned equipment used by the contractor for the provision of contract services, shall be rendered temporarily inoperative by the Contractor when not in use, by locking or other means unless specified otherwise.
- c. In order to maintain institution safety and security, periodic fire prevention inspections and site searches may become necessary and contractor must furnish keys to institutional authorities to access all locked areas on the worksite. The State shall in no way be responsible for contractor's loss due to fire.

Contractor and contractor's employee(s) and/or subcontractor(s) must be cleared prior to

providing services. The contractor will be required to complete a Request for Gate Clearance for all persons entering the facility a minimum of ten (10) working days prior to commencement of service. The Request for Gate Clearance must include the person's name, social security number, valid state driver's license number or state identification card number and date of birth. Information shall be submitted to the Contract Liaison or his/her designee. CDCR uses the Request for Gate Clearance to run a California Law Enforcement Telecommunications System (CLETS) check. The check will include Department of Motor Vehicles check, Wants and Warrants check, and Criminal History check.

Gate clearance may be denied for the following reasons: Individual's presence in the institution presents a serious threat to security, individual has been charged with a serious crime committed on institution property, inadequate information is available to establish positive identity of prospective individual, and/or individual has deliberately falsified his/her identity.

All persons entering the facilities must have a valid state driver's license or photo identification card on their person.

PAYEE DATA RECORD

STD. 204 (Rev. 6-2003) (REVERSE)

1	<u>Requirement to Complete Payee Data Record, STD. 204</u> A completed Payee Data Record, STD. 204, is required for payments to all non-governmental entities and will be kept on file at each State agency. Since each State agency with which you do business must have a separate STD. 204 on file, it is possible for a payee to receive this form from various State agencies. Payees who do not wish to complete the STD. 204 may elect to not do business with the State. If the payee does not complete the STD. 204 and the required payee data is not otherwise provided, payment may be reduced for federal backup withholding and nonresident State income tax withholding. Amounts reported on Information Returns (1099) are in accordance with the Internal Revenue Code and the California Revenue and Taxation Code.								
2	Enter the payee's legal business name. Sole proprietorships must also include the owner's full name. An individual must list his/her full name. The mailing address should be the address at which the payee chooses to receive correspondence. Do not enter payment address or lock box information here.								
3	Check the box that corresponds to the payee business type. Check only one box. Corporations must check the box that identifies the type of corporation. The State of California requires that all parties entering into business transactions that may lead to payment(s) from the State provide their Taxpayer Identification Number (TIN). The TIN is required by the California Revenue and Taxation Code Section 18646 to facilitate tax compliance enforcement activities and the preparation of Form 1099 and other information returns as required by the Internal Revenue Code Section 6109(a). The TIN for individuals and sole proprietorships is the Social Security Number (SSN). Only partnerships, estates, trusts, and corporations will enter their Federal Employer Identification Number (FEIN).								
4	<u>Are you a California resident or nonresident?</u> A corporation will be defined as a "resident" if it has a permanent place of business in California or is qualified through the Secretary of State to do business in California. A partnership is considered a resident partnership if it has a permanent place of business in California. An estate is a resident if the decedent was a California resident at time of death. A trust is a resident if at least one trustee is a California resident. For individuals and sole proprietors, the term "resident" includes every individual who is in California for other than a temporary or transitory purpose and any individual domiciled in California who is absent for a temporary or transitory purpose. Generally, an individual who comes to California for a purpose that will extend over a long or indefinite period will be considered a resident. However, an individual who comes to perform a particular contract of short duration will be considered a nonresident. Payments to all nonresidents may be subject to withholding. Nonresident payees performing services in California or receiving rent, lease, or royalty payments from property (real or personal) located in California will have 7% of their total payments withheld for State income taxes. However, no withholding is required if total payments to the payee are \$1,500 or less for the calendar year. For information on Nonresident Withholding, contact the Franchise Tax Board at the numbers listed below: <table border="0"> <tr> <td>Withholding Services and Compliance Section:</td> <td>1-888-792-4900</td> <td>E-mail address:</td> <td>wscs.gen@ftb.ca.gov</td> </tr> <tr> <td>For hearing impaired with TDD, call:</td> <td>1-800-822-6268</td> <td>Website:</td> <td>www.ftb.ca.gov</td> </tr> </table>	Withholding Services and Compliance Section:	1-888-792-4900	E-mail address:	wscs.gen@ftb.ca.gov	For hearing impaired with TDD, call:	1-800-822-6268	Website:	www.ftb.ca.gov

5	Provide the name, title, signature, and telephone number of the individual completing this form. Provide the date the form was completed.								
6	This section must be completed by the State agency requesting the STD. 204.								
	<u>Privacy Statement</u> Section 7(b) of the Privacy Act of 1974 (Public Law 93-579) requires that any federal, State, or local governmental agency, which requests an individual to disclose their social security account number, shall inform that individual whether that disclosure is mandatory or voluntary, by which statutory or other authority such number is solicited, and what uses will be made of it. It is mandatory to furnish the information requested. Federal law requires that payment for which the requested information is not provided is subject to federal backup withholding and State law imposes noncompliance penalties of up to \$20,000. You have the right to access records containing your personal information, such as your SSN. To exercise that right, please contact the business services unit or the accounts payable unit of the State agency(ies) with which you transact that business. **CALIFORNIA DISABLED VETERAN BUSINESS ENTERPRISE (DVBE)
PROGRAM REQUIREMENTS – NOT FOR GOODS AND INFORMATION TECHNOLOGY**
(Revision Date 09/03/09)

Please read the requirements and instructions carefully before you begin.

AUTHORITY. The Disabled Veteran Business Enterprise (DVBE) Participation Goal Program for State contracts is established in Public Contract Code (PCC), §10115 et seq., Military and Veterans Code (MVC), §999 et seq., and California Code of Regulations (CCR), Title 2, §1896.60 et seq. **Recent legislation has modified the program significantly in that a bidder may no longer demonstrate compliance with program requirements by performing a “good faith effort” (GFE).**

The minimum DVBE participation percentage (goal) is 3% for this solicitation unless another percentage is specified in the solicitation. A DVBE incentive will be given to bidders who provide DVBE participation, unless stated elsewhere in the solicitation that the DVBE incentive has been waived.

INTRODUCTION. The bidder must complete the identified form to comply with this solicitation’s DVBE program requirements. Bids or proposals (hereafter called “bids”) that **fail to submit the required form and fully document and meet the DVBE program requirement shall be considered non-responsive.**

Information submitted by the intended awardee to comply with this solicitation’s DVBE requirements will be verified by the State. If evidence of an alleged violation is found during the verification process, the State shall initiate an investigation, in accordance with the requirements of the PCC §10115, et seq., and MVC §999 et seq., and follow the investigatory procedures required by the 2 CCR §1896.80. Contractors found to be in violation of certain provisions may be subject to loss of certification, penalties and/or contract termination.

Only State of California, Office of Small Business and DVBE Services (OSDS), certified DVBEs (hereafter called “DVBE”) who perform a commercially useful function relevant to this solicitation, may be used to satisfy the DVBE program requirements. The criteria and definition for performing a commercially useful function are contained herein on the page entitled **Resources & Information**. Bidders are to verify each DVBE subcontractor’s certification with OSDS to ensure DVBE eligibility.

PLEASE READ ALL INSTRUCTIONS CAREFULLY. These instructions contain information about the DVBE program requirements, bidder responsibilities, and the DVBE Bid Incentive. Bidders are responsible for thorough review and compliance with these instructions.

To meet the DVBE program requirements, bidders must complete and fully document compliance with the following:

Commitment to full DVBE participation - For a bidder who is a DVBE or who is able to meet the commitment to use identified certified DVBE(s) to fulfill the full DVBE participation goal.

COMMITMENT -- Commit to meet or exceed the DVBE participation requirement in this solicitation by either Method A1 (bidder is a California certified DVBE) or A2 (bidder is not a California certified DVBE). Bidders must document DVBE participation commitment by completing and submitting the Bidder Declaration (GSPD-05-105) located elsewhere within the solicitation document. Failure to complete and submit the required form as instructed shall render the bid non-responsive.

At the State's option prior to award of the contract, a written confirmation from each DVBE subcontractor identified on the Bidder Declaration must be provided. As directed by the State, the written confirmation must be signed by the bidder and/or the DVBE subcontractor(s). The written confirmation may request information that includes but is not limited to the DVBE scope of work, work to be performed by the DVBE, term of intended subcontract with the DVBE, anticipated dates the DVBE will perform required work, rate and conditions of payment, and total amount to be paid to the DVBE. If further verification is necessary, the State will obtain additional information to verify compliance with the above requirements.

Method A1. Certified DVBE bidder:

- a. Commit to performing at least 3% of the contract bid amount (unless otherwise specified) with the prime bidder's firm or in combination with another DVBE(s).
- b. Document DVBE participation on the Bidder Declaration GSPD-05-105.
- c. At the State's option a DVBE bidder working in combination with other DVBEs shall submit proof of its commitment by submitting a written confirmation from the DVBE(s) identified as a subcontractor on the Bidder Declaration. When requested, the document must be submitted to the address or facsimile number specified and within the timeframe identified in the notification. Failure to submit the written confirmation as specified may be grounds for bid rejection.

Method A2. Non-DVBE bidder:

- a. Commit to using certified DVBE(s) for at least 3% (unless otherwise specified) of the bid amount.
- b. Document DVBE participation on the Bidder Declaration GSPD-05-105.
- c. At the State's option prior to contract award, a bidder shall submit proof of its commitment by submitting a written confirmation from each DVBE identified as a subcontractor on the Bidder Declaration GSPD-05-105. The awarding department contracting official named in the solicitation may contact each listed DVBE, by mail, fax or telephone, for verification of the bidder's submitted DVBE information. When requested, the document must be submitted to the address or facsimile number specified and within the timeframe identified in the notification. Failure to submit the written confirmation as specified may be grounds for bid rejection.

- STATE:** Access the list of all certified DVBEs by using the Department of General Services, Procurement Division (DGS-PD), online certified firm database at www.eprocure.dgs.ca.gov. To begin your search, click on "SB/DVBE Search." Search by "Keywords" or "United Nations Standard Products and Services Codes (UNSPSC)" that apply to the elements of work you want to subcontract to a DVBE. Check for subcontractor ads that may be placed on the California State Contracts Register (CSCR) for this solicitation prior to the closing date. You may access the CSCR at: www.eprocure.dgs.ca.gov. For questions regarding the online certified firm database and the CSCR, please call the OSDS at (916) 375-4940 or send an email to: OSDCHelp@dgs.ca.gov.

DVBE BID INCENTIVE. Unless stated elsewhere in the solicitation that the DVBE incentive has been waived, in accordance with Section 999.5(a) of the Military and Veterans Code an incentive will be given to bidders who provide DVBE participation. For evaluation purposes only, the State shall apply an incentive to bids that propose California certified DVBE participation as identified on the Bidder Declaration GSPD-05-105 and confirmed by the State. The incentive amount for awards based on low price will vary in conjunction with the percentage of DVBE participation. Unless a table that replaces the one below has been expressly established elsewhere within the solicitation, the following percentages will apply for awards based on low price.

Confirmed DVBE Participation of:	DVBE Incentive:
5% or Over	5%
4% to 4.99% inclusive	4%
3% to 3.99% inclusive	3%

As applicable: (1) Awards based on low price - the net bid price of responsive bids will be reduced (for evaluation purposes only) by the amount of DVBE incentive as applied to the lowest responsive net bid price. If the #1 ranked responsive, responsible bid is a California certified small business, the only bidders eligible for the incentive will be California certified small businesses. The incentive adjustment for awards based on low price cannot exceed 5% or \$100,000, whichever is less, of the #1 ranked net bid price. When used in combination with a preference adjustment, the cumulative adjustment amount cannot exceed \$100,000.

(2) Awards based on highest score - the solicitation shall include an individual requirement that identifies incentive points for DVBE participation.

A DVBE Business Utilization Plan (BUP) does not qualify a firm for a DVBE incentive. Bidders with a BUP, must submit a Bidders Declaration (GSPD-05-105) to confirm the DVBE participation for an element of work on this solicitation in order to claim a DVBE incentive(s).

Commercially Useful Function Definition

California Code of Regulations, Title 2, § 1896.61(l):

The term "DVBE contractor, subcontractor or supplier" means any person or entity that satisfies the ownership (or management) and control requirements of §1896.61(f); is certified in accordance with §1896.70; and provides services or goods that contribute to the fulfillment of the contract requirements by performing a commercially useful function.

As defined in MVC §999, a person or an entity is deemed to perform a "commercially useful function" if a person or entity does **all** of the following:

- Is responsible for the execution of a distinct element of the work of the contract.
- Carries out the obligation by actually performing, managing, or supervising the work involved.
- Performs work that is normal for its business services and functions.
- Is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry practices.

A contractor, subcontractor, or supplier will not be considered to perform a commercially useful function if the contractor's, subcontractor's, or supplier's role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of disabled veteran business enterprise participation.

BIDDER DECLARATION Instructions

All prime bidders (the firm submitting the bid) must complete the Bidder Declaration.

- 1.a.** Identify all current certifications issued by the State of California. If the prime bidder has no California certification(s), check the line labeled “None” and proceed to Item #2. If the prime bidder possesses one or more of the following certifications, enter the applicable certification(s) on the line:

- Microbusiness (MB)
- Small Business (SB)
- Nonprofit Veteran Service Agency (NVSA)
- Disabled Veteran Business Enterprise (DVBE)

- 1.b.** Mark either “Yes” or “No” to identify whether subcontractors will be used for the contract. If the response is “No”, proceed to Item #1.c. If “Yes”, enter on the line the distinct element of work contained in the contract to be performed or the goods to be provided by the prime bidder. Do not include goods or services to be provided by subcontractors.

Bidders certified as MB, SB, NVSA, and/or DVBE must provide a commercially useful function as defined in Military and Veterans Code Section 999 for DVBEs and Government Code Section 14837(d)(4)(A) for small/microbusinesses.

Bids must propose that certified bidders provide a commercially useful function for the resulting contract or the bid will be deemed non-responsive and rejected by the State. For questions regarding the solicitation, contact the procurement official identified in the solicitation.

Note: A subcontractor is any person, firm, corporation, or organization contracting to perform part of the prime’s contract.

- 1.c.** This item is only to be completed by businesses certified by California as a DVBE.

(1) Declare whether the prime bidder is a broker or agent by marking either “Yes” or “No”. The Military and Veterans Code Section 999.2 (b) defines “broker” or “agent” as a certified DVBE contractor or subcontractor that does not have title, possession, control, and risk of loss of materials, supplies, services, or equipment provided to an awarding department, unless one or more of the disabled veteran owners has at least 51-percent ownership of the quantity and value of the materials, supplies, services, and of each piece of equipment provided under the contract.

(2) If bidding rental equipment, mark either “Yes” or “No” to identify if the prime bidder owns at least 51% of the equipment provided (quantity and value). If **not** bidding rental equipment, mark “N/A” for “not applicable.”

- 2.** If no subcontractors are proposed, do not complete the table. Read the certification at the bottom of the form and complete “Page ____ of ____” on the form.
