Dear Parent/Guardian:

This letter is intended for parents or guardians of children enrolled in a child care center. **Beaver County YMCA** offers healthy meals to all enrolled children as part of our participation in the U.S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP). The CACFP provides reimbursements for healthy meals and snacks served to children enrolled in child care. Please help us comply with the requirements of the CACFP by completing the attached Meal Benefit Income Eligibility Form. In addition, by filling out this form, we will be able to determine if your child(ren) qualifies for free or reduced price meals.

1. Do I need to fill out a Meal Benefit Form for each of my children in day care? You may complete and submit one CACFP Meal Benefit Income Eligibility Form for all children enrolled in child care in your household only if the children in child care are enrolled in the same center. We cannot approve a form that is not complete, so be sure to read the instructions carefully and fill out all required information. **Return the completed form to: Beaver County YMCA Child Care Center, 2236 Third Avenue, New Brighton, PA 15066.**

2. Who can get free meals without providing income information? Children in households getting Supplemental Nutrition Assistance Program (SNAP) (formerly Food Stamps), Temporary Assistance for Needy Families (TANF), or Food Distribution Program on Indian Reservations (FDPIR) benefits can get free meals. Foster children and children enrolled in Head Start are also eligible for free meals. Children in households participating in WIC may be eligible for free meals.

3. Who can get reduced price meals? Your children can get low cost meals if your household income is within the reduced price limits on the Federal Income Chart, shown on this application. Children in households participating in WIC may be eligible for reduced price meals.

4. May I fill out a form if someone in my household is not a U.S. citizen? Yes. You or your children do not have to be U.S. citizens to qualify for meal benefits offered at the child care center.

5. Who should I include as members of my household? You must include everyone in your household (such as grandparents, other relatives, or friends who live with you) who shares income and expenses. You must include yourself and all children who live with you. You also may include foster children who live with you.

6. How do I report income information and changes in employment status? The income you report must be the total gross income listed, by source, each household member received last month. If last month's income does not accurately reflect your circumstances, you may provide a projection of your monthly income. If no significant change has occurred, you may use last month's income as a basis to make this projection. If your household's income is equal to or less than the amounts indicated for your household's size on the attached Income Chart, the center will receive a higher level of reimbursement. Once properly approved for free or reduced price benefits, whether through income or by providing a current SNAP, TANF, or FDPIR case number, you will remain eligible for those benefits for 12 months. You should notify us, however, if you or someone in your household becomes unemployed and the loss of income causes your household income to be within the eligibility standards.

7. What if my income is not always the same? List the amount that you normally get. For example, if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally get overtime, include it, but not if you only get it sometimes.

8. What if I have foster children? Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income. Households may include foster children on the Meal Benefit Form, but are not required to include payments received for the foster child as income. Households wishing to apply for such benefits for foster children should contact the Child Care director at 724-891-8439.

9. We are in the military, do we include our housing and supplemental allowances as income? If your housing is part of the Military Housing Privatization Initiative and you receive the Family Subsistence Supplemental Allowance, do not include these allowances as income. Also, in regard to deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household will be counted as income to the household. Combat Pay, including Deployment Extension Incentive Pay (DEIP) is also excluded and will not be counted as income to the household. All other allowances must be included in your gross income.

In the operation of child feeding programs, no person will be discriminated against because of race, color, national origin, sex, age or disability.

If you have other questions or need help, please call me at 724-891-8439 or email me at thamilton.ymca@gmail.com.

Sincerely,

Beaver County YMCA

DISCIPLINE

Discipline will be administered in a firm but positive manner. A stimulating environment with scheduled activities shall be provided to prevent behavior problems. Being aware of the problem and redirection should eliminate any need for discipline; however, a “time out” or a “cool down” area will be used if needed. During this time, the teacher will talk with the child and when ready, the child will return to the group. Older children may have special privileges taken away as a form of discipline.

If a child behaves in such a way that is uncontrollable, causing harm to self, other children, staff, or property, the YMCA Child Care staff will take the following steps:

1. Document all situations and types of behavior involving the child for two weeks, alerting the parent either by phone or in person each time a situation occurs.
2. If no improvement is seen in behavior, the Director and/or Assistant Director will schedule a meeting with the parent to discuss behaviors and steps to improve them.
3. A behavior modification plan will be used to encourage the child improve the behavior.
4. If no change in behavior is seen after two weeks, the child will be terminated from the program.

We strive to provide a safe, secure environment for both children and staff. The following behaviors are not acceptable:

- Verbal attacks toward other children and staff.
- Fighting with other children and staff.
- Swearing, kicking, hitting, spitting, biting, and stealing.

PERSONAL ITEMS

Please do not send personal items, toys, games, electronics, or phones to the Child Care Center. There are many items at the Center, and the Center will not be held responsible for the damages caused to or loss of items brought from home.

POTTY TRAINING

We are happy to partner with you to help you potty train your child. We ask that your child wear clothing with an elastic waistband when potty training. This will enable your child to experience greater success while potty training. Snaps, zippers, onesies/bodysuits, and buttons are often challenging for little fingers. We will regularly have your child try to use the potty while potty training. You will find these times documented on your child's daily sheet. We will be consistent with potty training, and we ask that you use the same consistency at home. A partnership works best when all partners work together to achieve a common goal. We consider a child to be completely potty trained when they are capable of telling the child care providers that they need to use the bathroom, and when they can use the bathroom independently. Children who are 37 months of age need to be completely potty trained in order to be moved into the preschool classroom. Children who are not completely potty trained at 37 months will remain in the Older Toddler Classroom until they are completely potty trained. The Older Toddler rates will apply until a child moves into the Preschool Classroom. A child with a physician's note stating that they are not capable of potty training will be transferred to the Preschool Classroom when they reach 37 months of age.

REGISTRATION

Children entering the center must be properly enrolled by the Director or authorized office personnel. A pre-admission visit should be scheduled so you and your child have a chance to see the center before your child begins. A meeting between parents and staff should take place at this time. The proper forms, fees, and scheduling will be discussed.

Each child enrolled in the Beaver County YMCA Child Care Center will be granted a complimentary Youth Membership.

Parents will complete an Emergency Contact/Registration form and an agreement which contains fee information. You will be given a form entitled "Child Health Report", which your child's pediatrician or registered nurse must complete. This form is due within 60 days of enrollment and must be updated according to the child's age. The Lead Teacher in your child's classroom will inform you when your child's next health assessment is due. We are unable to provide care if an age-appropriate health assessment is not on file within the designated timeframe.

The YMCA participates in the Child and Adult Care Food Program (CACFP), which reimburses the YMCA for meals served to your child(ren). You must complete the CACFP paperwork (included in the enrollment packet) before your child care service begins. Any family believing they have been discriminated against in any USDA-related activity should write to the following address: The Secretary of Agriculture, 1400 Independence Avenue, S.W., Washington, DC 20250.

A non-refundable registration fee of \$25.00 per child is required upon enrollment. If you withdraw from the program and re-enroll at a later date, you are required to pay another registration fee. The registration fee is waived for members of the Beaver County YMCA.

Registration forms will be updated twice per year. Updates on all forms are required by the DPW every six months.

HOLIDAYS

Beaver County YMCA Child Care Centers will observe and be closed for the following holidays, unless otherwise stated: New Year's Day, Good Friday, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day. The center will close one hour early (at 5:00 p.m.) on Christmas Eve and New Year's Eve.

PAYMENT PROCEDURES

1. The following schedules are available for care:
 - a. Three, four, or five full days (over five hours)
 - b. Three, four, or five half days (up to five hours)
2. If your child is registered for less than five days per week, please give the Director a copy of your schedule so that we know which days to expect your child. This information is helpful when scheduling staff.
3. Payments must be made weekly no later than the first day of service for the week.
4. If a family falls one week behind on payments, a reminder will be sent. If a family falls two weeks behind on payments, payment in full must be made in order to return to care the following week. Families receiving assistance from the CCIS office will not receive a payment reminder, as the CCIS office requires a telephone call from the YMCA when payment has not been made.
5. Scheduled YMCA holidays will be prorated. Vacations must be communicated to the Director (in writing or via email) at least 30 days in advance in order for the fee to be waived for the time of the vacation. You are responsible for the weekly fee regardless of your child's attendance, unless other arrangements have been approved by the Director.
6. All accounts must be at zero or carry a credit on the last service day of the year. Care will not be provided the first service day of the new year if a balance is owed. This overrides items #3 and #4.
7. A copy of the signed payment procedures will be kept in your child(ren)'s file(s).

AUTHORIZATION TO PICK UP CHILD

For the child's protection, only persons authorized in writing by the parents may pick up a child from the center. We must have your written consent on the agreement form in order for your child to be released. Please inform the person picking up your child that photo identification (driver's license, etc.) will be asked of them until staff members are able to identify them by sight.

A **VERBAL REQUEST FOR RELEASE OF CHILD** form will be completed to document a verbal request by a parent for the release of a child to a person(s) not indicated on the agreement.

LATE PICKUP POLICY

The center closes at 6:00 p.m. each day (Monday through Friday). If you arrive to pick up your child between 6:01 and 6:05 p.m., a \$5 late pickup fee will be applied to your account. For each additional five minutes, you will be charged \$10. In the event that we are not able to reach someone to pick up your child by 6:30 p.m., the local police department will be contacted. Late pick-up fees must be paid before the child can be dropped off for care on his/her next scheduled day.
