

Greetings from Union Grove, WI. On behalf of the Directors and members of the Southeast Wisconsin Antique Power and Collectable Society, we welcome you to Fall Harvest Days, Sept 16-18. As both of our clubs are celebrating 25 years of fun, it promises to be quite the event. I would like to tell you about our Saturday night "specials" We have a pork chop dinner prepared by the Yorkville United Methodist church and is it good!! We are talking grilled 1 inch thick chops, baked potato, coleslaw, roll and a table full of homemade desserts. Beer, water, and soda included. It makes me hungry thinking about it. A single chop meal is \$13.00, and the two chop meal is \$15.00. Come hungry! The meal is served on the grounds just after the show closes. What do they say... location, location, location. Just when you think it can't get any better, there is the Pork Chop auction following the meal. You don't even have to leave the building. Wow. With a meal plus an auction; now that's an evening. You do not need to go to the dinner to attend the auction. But we hope you will. And who knows, there may be that something special in that auction that you have to have. It's fun for all and we hope to see you there. Our club will also be having a raffle for a 1959 Ford 871 Gold Demo tractor. I have included a pre-registration form for the pork chop dinner for your convenience. Again, Fall Harvest Days is looking forward to seeing you at our show.

Dana Ishman director - Fall Harvest Days
