SPAN 112

Need **124** hours for graduation. Mini-courses are optional. Can transfer 62 hours from community college (64 from WITCC); last 30 hours must be from BCU.

In order to complete 124 hours for graduation add four 1 hour courses, **or** one additional term course and a 1-hour course the junior and/or senior year or during a summer.

** Transfer students, substitute LIBA 400
***SOCY 341 does not count toward math competency. MATH 200 does count toward the competency. SOCY 341 is highly recommended for students who have completed the math competency requirements.
