Background Check Requirements for EMT Certification In San Luis Obispo County

Criminal History Background Checks (fingerprinting) with the California Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI) utilizing our Live Scan form is a requirement for all applicants for EMT certification in San Luis Obispo County. As authorized by Health & Safety Code Section 1797.118 every EMT-I and EMT-II certificate candidate or holder shall have their fingerprint images and related information submitted to the authority for submission to the Department of Justice pursuant to the regulations adopted pursuant to Section 1797.117 for a state and federal level criminal offender record information search, including subsequent arrest information. The Applicant Live Scan process for the submission of fingerprints and the automated criminal history check and response replaces the blue and white fingerprint card previously used.

If you do not currently have a Live Scan on file with us, you must have a new one done. If your EMT Certification has lapsed more than 12 months, you are recertifying from a different county or in some cases if you have changed employers, you will be required to do a new Live Scan. If applicant was grand fathered into the state system by current San Luis Obispo County employer before July 1, 2010, a letter from the employer will be accepted stating that the applicant has no criminal violations and that the employer participates in California DOJ criminal record clearance with subsequent arrest notifications. A sample letter can be found on our website here: http://sloemsa.org/files/Sample_grandfatheredEMT_Employer_Letter.pdf. If you are unsure of your status, please call our office.

Live Scan terminals where you can go to be fingerprinted are located in sheriffs' offices and police departments throughout the state as well as public applicant Live Scan sites. A list of Live Scan terminal locations can be found on the Internet at the DOJ Live Scan web site at <http://ag.ca.gov/fingerprints/publications/contact.php#sanluisobispo>. We do not do Live Scan's at our location. Call ahead to the location of your choice to make sure:

- the list is current,
- that they do both DOJ and FBI submissions,
- what their fees are,
- what form of payment they accept, and
- if you need to make an appointment.

Fingerprint fees for processing the criminal history check are established by DOJ and may be subject to change. The current nonrefundable fee for this process is \$49 (\$32 for the state and \$17 for the federal background checks) and is payable to the Department of Justice or to the Live Scan Agency doing the fingerprinting. The "rolling fee" for Live Scan fingerprinting, which is separate from the fee for processing the criminal history check(s), is paid directly to the agency conducting the Live Scan fingerprinting, and may vary by agency. The total cost for fingerprinting locally is approximately \$75. Applicants are responsible for all fees associated with the background check and must be paid at the time of fingerprinting. Remember to take your photo ID.

Live Scan Forms are available on our website at <http://sloemsa.org/forms.html>. The form is set up so you can fill it out on your computer and then print your copies. Pay careful attention to only fill in the blue highlighted areas. Incorrectly filled out forms may be rejected causing your background check to be repeated, including additional fees. Make sure you complete the form before arriving for your Live Scan appointment.

Results of the criminal history check(s) will be received by the San Luis Obispo County EMSA office electronically within seven to ten days of being fingerprinted in most cases. However, if manual processing is required, it may take longer to receive the results and in some rare cases it may take as long as 30 days or more.

IMPORTANT: Please refer to the attached instruction sheet for completing the Live Scan Applicant Submission Form. If the form is not completed correctly, the fingerprints may be rejected by DOJ and you will be required to have your fingerprints taken again (there should be no charges for reprinting rejected fingerprints providing you take the reject notice with you when you go to be reprinted).

FBI Inquiries- If after reviewing his/her identification record, the subject thereof believes that it is incorrect or incomplete in any respect and wishes changes, corrections or updating of the alleged deficiency, he/she should make application directly to the agency which contributed the questioned information. The subject of a record may also direct his/her challenge as to the accuracy or completeness of any entry on his/her record to the FBI, Criminal Justice Information Services (CJIS) Division, ATTN: SCU, Mod. D-2, 1000 Custer Hollow Road, Clarksburg, WV 26306. The FBI will then forward the challenge to the agency which submitted the data requesting that agency to verify or correct the challenged entry. Upon the receipt of an official communication directly from the agency which contributed the original information, the FBI CJIS Division will make any changes necessary in accordance with the information supplied by that agency. [Order No. 1134-86, 51 FR 16677, May 6, 1986, as amended by Order NO. 2258-99, 64 FR 52226, Sept. 28, 1999]

DMV driving record dated within 7 days of application is required for all EMT applicants. Individuals may obtain an original copy from the DMV office or utilize the service we provide. If you choose to use our service there is a one day delay and you must use our forms available in our office or on our website at <http://sloemsa.org/files/OnlineDMVPullAuthorization.pdf> .

Driving records printed from the DMV website will not be accepted. If you are coming from out of state or you have not been in California more than two years, you will be required to also submit a certified copy of your driving record from your state of origin. If your employer participates in the DMV notification system, you may use this Sample Letter in place of the certified copy from the DMV located on our website at http://sloemsa.org/files/Sample_DMVonlyEMT_Employer_Letter.pdf

Criminal Convictions are reviewed by the appropriate EMS Agency staff, along with our county legal department if appropriate, and all material is held in strict confidence. Decisions are based on state regulations and statutes and careful review of all documentation. A criminal conviction does not mean an applicant will automatically be denied an EMT Certification. The convictions for which the EMS Agency Medical Director shall deny or revoke can be found here <http://sloemsa.org/files/ShallDenyCaliforniaCodeofRegulations.pdf>. The convictions for which the EMS Agency Medical Director may deny, revoke, suspend or put on probation can be found here <http://sloemsa.org/files/MayDeny.pdf> Applicants with criminal conviction or active prosecution can expect a delay in the processing of their application. If an applicant is denied or revoked he/she has the right to request a hearing and will be notified of their due process. **Additional fee will be applied to all EMS personnel applications for which we receive notification indicating criminal behavior that requires an investigation of allegation(s). This fee is non-refundable and can be charged any time during your certification cycle if an administrative investigation is required.**

All EMT applicants must disclose every misdemeanor and/or felony of which they have been convicted, including vehicle code violations and those for which they have been found guilty by a jury, plead guilty or plead nolo contendere, or any conviction which has been expunged or record sealed under PC1203.4. **Failure to disclose a misdemeanor or felony may result in denial, suspension or revocation of an EMT certificate pursuant to California Health and Safety Code Section 1798.200.** Along with this disclosure and if a conviction appears on the background check, applicants must submit the following information with your application for review:

- Provide a detailed statement that describes the incident, charges, date(s), location, court, sentence served, and probation or parole (if any),
- Court documents (minute order) and
- Police reports.

Contact Vicci Stone at vstone@co.slo.ca.us or 805-788-2513 if you have further questions.
