

## Buenos Aires students: Checklist of Post-Acceptance Forms & Due Dates

After you're accepted, it's time for you to fill out forms, make arrangements to pay your program fees, pre-register for classes, learn about Student Visa requirements, book your flight, and schedule a physical examination.

**Below is a helpful "to-do list" with corresponding deadlines.**

Completing these steps **ON TIME** is very important because they give us the information needed to enroll you, house you, etc.

Completing any of these steps late may result in diminished housing and course selection. If you were not born in the U.S., it is especially important to read the Student Visa instructions immediately.

Chelsea will be **EMAILING** you reminders, updates, and other important information.

**PLEASE CHECK YOUR JUNK MAIL AND PUT THIS IN YOUR ADDRESS BOOK:**

If you need additional time to complete any tasks, you must email Chelsea.
