

# MRCS Part B Anatomy and OSCE Course

Addenbrooke's Hospital & University of Cambridge

**Thursday 22<sup>nd</sup> & Friday 23<sup>rd</sup> September 2011**

Intensive two day revision course to help surgical trainees prepare for the MRCS Part B Exam. Emphasis will be placed on improving candidates' examination techniques with Consultant led teaching.

- Day One is based at the School of Anatomy, University of Cambridge. The day includes:
  - Cadaveric anatomical demonstrations
  - Models and prosections
  - Interactive lectures
- Day Two will outline the OSCE style bays of the MRCS examination, followed by the opportunity for you to perform in an OSCE situation, with circuits offering the full range of scenario's including:
  - Clinical bays (with patients)
  - Procedural skills
  - Communication skills

**Course fee:** £450 to include lunch and refreshments  
£350 for East of England Trainees

**Places are limited, therefore please apply early.**

Application forms can be downloaded from the website:
