

FAMILY QUESTIONNAIRE FOR STUDENTS ENTERING 1ST-8TH GRADE

Please return with all your forms.

The following questions will help us understand your child's strengths, interests and talents, and how to best work with them. Please answer each question, adding any helpful information when possible.

Student's name: _____ Grade: _____

1. Tell us all the things that make your child unique/special/great!
2. What hobbies, special interests or talents does your child have?
3. What does your child do for fun?
4. Please describe your child's ability to work independently (i.e., following directions, completing tasks) and organizational skills.
5. Does your child prefer group or individual projects/activities?
6. Name two (2) positive attributes of your child's current school and two (2) areas you would improve.
7. Please list any support services/programs (i.e., special education, speech/language, remedial programs, counseling, enrichment) your child has received.
8. Please list any questions you have, or information you feel is important for your child's teacher to know to better work with your child.
