

**Parent/Guardian Release and Indemnity Agreement  
Infant Crib Furnishing and Materials**

We understand that the standard practice at Bright Horizons is to not provide crib bumpers or allow soft items in the crib as recommended by the American Public Health Association and the American Academy of Pediatrics. We/I have received and read material strongly urging that my child's crib not contain soft materials or crib bumpers. We/I would like Bright Horizons to make an exception to that practice and allow the placement of the soft items I will bring from home in my child's crib.

We/I, the undersigned, being all of the custodial parent(s) or other legal guardian(s) of (child's name) \_\_\_\_\_, a minor, do hereby release and agree to hold harmless, and to indemnify Bright Horizons Children's Centers LLC, its subsidiaries, and all their employees, from any and all actions or claims, on account of personal injuries to said minor resulting from this decision concerning infant sleep furnishings.
