

Sponsor and Donation Proposal

Mission Statement: The Florida Mojo Volleyball Club is a highly successful not for profit 501 (c) club, that believes in supporting our youths through positive discipline, traditional practices, and new trends in volleyball. Our focus is to build quality players from all walks of life who demonstrate good character, determination and a love for volleyball.

Overview: *Florida MOJO, 2013 17 & Under Boy's AAU National winners* and were producers of five AAU National All-Americans. We are currently housed at Lyman High School, and have just over 180 boy and girl members from all over the central Florida area. Our dedicated Club Director, Russel Williams just won his second Boys State Championship for Lyman High School with a perfect record of 31-0. The players from this winning team have been Florida. Mojo Volleyball club members for the past 3-5 years and several of them would not have had the chance to play club ball if it were not for sponsor support and financial assistance opportunities. Although several of our players have been offered volleyball scholarships, the majority of our club players are academic scholars with 3.5 grade point averages and above and are highly motivated, well rounded individuals.

The Florida Mojo Volleyball Club has always taken an active role in providing opportunities to those who would normally not be able to afford club volleyball. In today's competitive world, it is evident that to be successful in team sports it is necessary to play outside of school in order for our youths to compete with their peers.

Sponsors/Donations Needed: At the current time we are in need of sponsors who can assist the club by providing in General Sponsorship for our upcoming 2015-16 players.
