DRIVER AGREEMENT

Anyone assigned to driving duties (“drivers”) must at all times meet the following criteria:

- 1 driver must have a current, valid driver’s license for the state of Texas; and
- 2 driver must maintain a clean driving record, i.e. must remain insurable under our company’s liability insurance policy;
- 3 GABC will request a Motor Vehicle Report be run on each driver through our insurance carrier.

Anyone driving a Green Acres Baptist Church vehicle or driving on Green Acres Baptist Church business must observe all safety, traffic, and criminal laws of this state. No driver may consume alcohol while driving a GABC vehicle, while on GABC business, while in a GABC vehicle, or prior to being on Church activities of any kind. No driver may pick up or transport non-employees or members while in a Church vehicle or on Church business, unless there is a Church-related need to do so. Any illegal, dangerous, or other conduct while driving that would tend to place the lives or property of others at risk is prohibited.

Any driver who receives a traffic citation from or is arrested by a law enforcement officer, or who is involved in any kind of accident while driving, must inform the appropriate person immediately or as soon as possible thereafter. Any penalty, fine, imprisonment, fee, or other adverse action imposed by a court in connection with such an incident must be reported immediately to the appropriate person. The driver is financially responsible for any citations received. In both of the above situations, the matter will be reported to the Church’s insurance carrier by the Church so that a prompt decision on continued coverage of the driver can be made.

Anyone who violates any part of this agreement, or who becomes uninsurable as a driver, will forfeit driving privileges. If the driver is an employee, they will be subject to reassignment and/or disciplinary action, up to and possibly including termination from employment.

I have read the above documentation and by signing below agree to abide with its guidelines and give my permission for Green Acres to request a Motor Vehicle Report be run.
