

Night on the BizTown

Circle of Enterprising Women

In May, 2015 Junior Achievement of Tampa Bay launched a new women's initiative which consists of a group of educational advocates who intend to affect positive changes in our students' attitudes, performance, and future outlook. These enterprising women understand the need to transform how Junior Achievement students view the world of work, free enterprise and their own potential for success. They are committed to helping provide the resources necessary for Junior Achievement to provide their full range of programs which impart sound economic principles to youth; Kindergarten through 12th Grade.

Where: Muma JA BizTown

When: October 21, 2016

The inaugural "Night on the BizTown" will showcase savory bites, wines, spirits and craft beers, in addition to delicious desserts from Tampa Bay's finest culinary establishments. Night on the BizTown is a Circle of Enterprising Women Signature Event with proceeds benefiting the educational programs of Junior Achievement of Tampa Bay.

The Night on the Biztown, a 21+ event, includes three hours of food, libations and entertainment with complimentary valet provided to all our guests. Guests will enjoy a program-free evening in which to network and support Junior Achievement of Tampa Bay's mission to empower our area's youth to own their own economic success. The event committee has secured unique auction items, both live and silent, with wonderful experiences, sports packages and entertainment opportunities available for guests. There will be ample opportunity to view the items and place bids, while mingling with other Junior Achievement supporters.

Amidst the backdrop of Muma JA BizTown at Bill Poe Family JA Center, Night on the Biztown will prove to be an inspirational evening. Muma JA BizTown is a mini city with up to 23 public and private businesses. Each business within the center is sponsored by a real local business and displays the authentic logo and the actual marketplace appearance of the sponsor bringing the town to life for the students.

Sponsors have the opportunity to engage in the Tampa Bay community with a viable non-profit organization and its robust committee of business leaders, board of directors, members, and volunteers. Junior Achievement of Tampa Bay will reach over 94,000 students locally in 2016. Night on the BizTown will become an annual event for sponsors to create a lasting impact on Tampa Bay's educational system through JA programs. We invite your company to become part of a high-level forum to interact and network with Tampa Bay's most influential business and education leaders, and to help CEW reach its fundraising goal to support JA Tampa Bay.
