

DOCUMENT CHECKLIST

PERMANENT RESIDENCE - FEDERAL SKILLED WORKER CLASS

This document is available in PDF format only. You need to mail this form and other documents with your application. Please make sure you print this document, complete it and include it in your application as **the cover page**.

The checklist of required documents is subject to change. Applicants are advised to refer to the application kit on the CIC website periodically while preparing their application to ensure that they have included all forms and documents listed on the most up-to-date checklist.

Gather your documents **in the order of the checklist** and check each item. Attach small items such as photos and certified cheques with a paper clip, otherwise leave documents unbound. Place all documents in a sealed envelope. If your documents are not in English or French, send a notarized (certified) translation with a copy of the original version. Do not send any additional documents when submitting your application to the CIO.

 **Note: If you are unable to provide any of the requested documentation, include with your application, a written explanation with full details as to why that documentation is unavailable and any documentation that would support your claim. If your application lacks any of the documents without a reasonable justification, it will be returned to you or in certain circumstances could result in the refusal of your application.**

IMPORTANT NOTICE: Answer all questions and sign all forms where applicable. Please note that by signing these documents, you are certifying that all information provided therein, whether prepared by you or not, is complete and true in all respects.

If you or someone acting on your behalf directly or indirectly submits false documents or misrepresents facts relating to your application for a permanent resident visa:

- your application may be refused;
- the circumstances of your refusal will be entered into Canada's global immigration database; and
- you and your family members could become inadmissible to Canada for two years under section 40(2) of the *Immigration and Refugee Protection Act*.

The officer will base his/her decision on the documents on file at the time of the assessment. In the following circumstances, it is your responsibility to notify the visa office processing your case and provide the relevant supporting documentation if there are changes in the following:

- family status (e.g. marriage or common-law union, divorce, annulment, legal separation, birth, adoption, death of the principal applicant or any accompanying family member, including grandchildren born to dependent children);
- education (e.g. completion of another degree); or
- mailing address/e-mail address/contact information.

Any changes which we have not been informed of will delay processing or may result in the refusal of the application or the exclusion of a family member.

See the "Complete the application" of the Instruction Guide for specific instructions on how to complete the questions on each of the following forms.

Do not submit originals unless otherwise stated as documents submitted will not be returned.
