Friday, September 12

7:00 am Breakfast/Registration Opens

8:00 am How To Manage Your Carrier Rating

This session will focus on Part 385 of the Federal Motor Carrier Safety Regulations. Learn what steps are required to change your company's rating, what documentation you will need to provide and what to expect with regard to a timeline of changing your company's rating. Learn also the key indicators you need to focus on that affect your rating directly.

9:15 am Break - Exhibits

9:30 am Legal Plans: Times Have Changed

This session will focus on the importance and benefits of implementing a Legal Plan for your drivers. With CSA, the monitoring of your drivers' reports is vital to not only your drivers individually but your company as well.

10:30 am UPCARES - Rail Safety Education

In America, a person or vehicle is hit by a train roughly every three hours. Have you ever stopped to consider the dangers involved with crossing highway-rail grade intersections or trespassing on railroad property? In an effort to help curb these mishaps, this session will focus on a rail safety, driver distractions and some steps your company can begin implementing immediately to prevent these collisions, injuries and fatalities on and around railroad tracks and highway-rail grade crossings.
