Mayor's Message

Greetings all. This time of year is great to see things growing and developing in our gardens and paddocks, and Council too have many things in development at the moment.

Long Term Financial & Asset Management Plans

Some of you have been involved in the development of Council's plans in the last couple of weeks. These plans are to help provide Council with a financial direction and sustainability for the future. They are available at the Council office and on the website, and there is still some time for you to provide your feedback and input, so I would encourage you to do so!

Port Neill Foreshore Plan

Also coming out for you to have your input on is the draft Port Neill Foreshore Upgrade Concept Plan. This plan has been developed with much input already from the Port Neill Progress and Community, and they are also available for you to have input in. It is aimed at improving and developing infrastructure to meet the needs of the community now and into the future. It brings together a common design for landscaping and streetscaping, and improves the accessibility of the whole foreshore area.

Risk Management

Council as an entity has many obligations put on it from other levels of government. Much Council staff time gets invested into some of these areas. One such area is Risk Management, which incorporates areas such as Work Health and Safety, Emergency Planning, and Financial Auditing. As you could expect, Work Health & Safety is the biggest legislation area for Council to comply with, which are regularly externally audited. In recent years there has been a lot of work put in by both office and outside staff, and we have seen our WHS audits improve by 74% and our Risk Management audits by 96%. This results in a larger financial rebate from our LG Insurance Providers. This is an area that is certainly not visible by the public, but it is imperative for an organisation like ours, so I must commend all our staff.

Monica Dodd

Finally, it is with some sadness I would like to finish with a farewell and a thankyou to Monica Dodd. For a number of

years, Monica has been providing financial advice and assistance for a large number of our population, helping them navigate through the complicated and ever-changing world of Centrelink. How much work she has done is usually only known by her clients, but she has been a major asset to our community which will be very missed. I wish her and Mark all the best in their future endeavours.

Mayor Sam Telfer

Special Council Meeting

DISTRICT COUNCIL OF TUMBY BAY

Burning Permit Within the Township - Outside the Fire Danger Season

To assist with the control of burning within a township outside of the Fire Danger Season, Council now has a form, to be completed and an inspection of the materials to be burnt, before the commencement of any burning for both Domestic and Non-Domestic premises.

Required Conditions:

You must:

- ◆ Arrange for a Council Authorised Officer to complete an inspection before burning.
- ◆ If creating stockpiles ensure they are no bigger than 3m x 3m x 2m high;
- ◆ Make sure you have a 4 metre break around and above the area you want to burn;
- ◆ Only burn dry matter (paper, cardboard, timber and garden waste);
- ◆ Have appropriate fire control equipment in good working condition or garden hose with adequate water pressure on standby;
- ◆ Inform your neighbours you intend to burn;
- ◆ Immediately extinguish the burn completely, if it proves to be causing a nuisance to another person's property;

You must not:

- ◆ Leave the immediate burn site if there is smoke or any of the material is still smouldering;
- ◆ Burn multiple stockpiles at once;
- ◆ Attempt to burn materials mixed into soil;
- ◆ Burn tyres, plastics, green garden wastes, chemical containers, chemical treated timbers or any other hazardous wastes;
- ◆ Burn in the open on any street, road or laneway.

Bushfire Risk and Treatment Public Consultation

A Draft Bushfire Management Area Plan for the Lower Eyre Peninsula Bushfire Management Area has been developed by the Lower Eyre Peninsula Bushfire Management Committee with the assistance of the SA Country Fire Service.

Through this planning process, an assessment has been made of the existing bushfire risk to assets and the adequacy of current control measures within the Council areas of Lower Eyre Peninsula DC, Tumby Bay DC and the City of Port Lincoln.

The Plan also identifies additional treatment strategies that are designed to contribute to an overall improvement in the resilience of the wider community and those assets identified in the Plan.

This Draft Plan is made available for public consultation commencing on the 12th May 2015 and concluding at the close of business on the **23rd June 2015**.

The Plan is available for viewing at:

Monica Dodd Rural Options May 2015 Report to the District Council of Tumby Bay

It is with a heavy heart that I write my last report for the District Council of Tumby Bay as I am retiring. I have served the community of Tumby Bay and the Eyre Peninsula as a Rural Counsellor for the past 24 years. It has been my privilege to have done so.

I hope that my legacy to the Eyre Peninsula has been a productive one. Even though I am shifting to Adelaide with mixed feelings Eyre Peninsula, my place of birth, will always be my home land.

I have treated my 24 years as a Rural Counsellor as a vocation as the personal rewards have been to me unquantifiable. I thank the community and the people who have put their trust in me by becoming my clients. The hero's in my life have been those people who have survived and prospered after enduring great hardship.

For the first 15 years in my role as a Rural Counsellor I was employed by a group of local government volunteers who showed vision as they formed a committee to assist farmers and small businesses who were in need. I was originally mentored by the committee and Errol Schuster who was my colleague at that time. They were most helpful in supporting me in my new role.

In October of 2006 I formed my own business, Monica Dodd Rural Options. I have worked from an office at the Tumby Bay Council until now. I will never forget the encouragement and support that I received at that time and throughout my time associated with Council. Because there were no restrictions as before about whom I could work with, I was able to support the whole community. I have had 9 years of the most productive time work wise because of the working environment at Council and I thank the Councillors and their staff for their support.

As I am retiring I wish everybody the best for the future and advise that Mark and my new home is at West Lakes in Adelaide and we would look forward to anyone calling to see us.

Yours faithfully
Monica Dodd

Keeping of Animals & Birds in Townships

Residents residing within the Townships of Lipson, Port Neill, Tumby Bay and Ungarra are permitted to keep animals and birds on their property as long as they comply with the guidelines to prevent animals and birds causing a nuisance or being injurious to health. This includes poultry, rats, dead animals, nuisance birds, etc.

Guidelines for Keeping Animals and Birds

Prevent animals and birds causing a nuisance or being injurious to health.

Section 254 of the Local Government Act, 1999, provides Council with the 'power to make orders' to prevent a person (s) from doing or refrain from doing a specified thing. The provisions cover:

Unightly condition of land;

Animals that may cause a nuisance or hazard.

To help residents within the Townships understand the expectation of Council in these matters the following guidelines for keeping animals and birds are provided to help avoid action being taken under the Order Making provisions of Section 254 of the Local Government Act, 1999.

Poultry Shelters

Poultry should be contained in a structure which:

- (1)(a) has a floor area of at least one square metre for each bird therein;
- (b) is provided with a shelter of solid construction or sheet metal in good condition with a rainproof roof and an internal floor surface constructed of or paved with concrete or other material approved by Council to a smooth, hard, impervious finish with a floor area of at least 0.3 square metres for each bird therein;
- (c) is maintained at all times in good order and repair and in a clean and sanitary condition free from rats, vermin, offensive odours or conditions; and which is located:
- (d) not less than 25 metres from the front boundary of the property;
- (e) not further forward on the property than the rear half thereof or the rear alignment of any house thereon;
- (f) not less than one metre from any boundary of the property; or
- (g) not less than 15 metres from any dwelling or one metre from a shed.

Roosters & Other Birds/Animals

- (2) Person(s) **should not keep or allow to remain on the land** of which he or she is the owner or occupier any noisy bird or animal, where the noise emanating from the noisy bird or animal may cause a nuisance to any neighbour.

Food and Rats

- (3) Persons should not keep or allow to remain on the land of which he or she is the owner or occupier any poultry or animal unless:
 - (1) vermin proof receptacles are provided for storing bran, pollard, grain or other matter intended for the feeding of such poultry, and -
 - (a) such receptacles are at all times kept clean, sanitary and in good order and condition; and

(b) no food for poultry is allowed to remain outside of such receptacles unless for the purpose of immediate consumption; and

- (2) that person keeps the land free from rats and mice.

Dead animals or birds;

- (4) A person should not:
 - (1) neglect to bury or otherwise lawfully dispose of in a sanitary manner any dead animal or bird belonging to him or her, or in his or her charge of keeping forthwith upon the death of that animal or bird.

No animal or bird to be a nuisance;

- (5) A person(s) should not keep or allow to remain on the land, which he or she is the owner or occupier, any animal or bird so as to be a nuisance or injurious to health by reason of:
 1. the number of animals or birds;
 2. the noise made by the animal or bird;
 3. the dust or odour generated by the presence of the animal or bird;
 4. the attraction of flies, rats, mice or other vermin;
 5. the nature and location of housing facilities for the animal or bird;
 6. the animal or bird not being adequately contained on the land; or
 7. the animal or bird being allowed to wander or fly from or to land either alone or in numbers;
 8. droppings emanating from the animals or birds; or
 9. for any other justifiable reason.

Definitions

"Noisy bird"

*Includes any rooster, goose, pheasant, parrot, cockatoo, galah, or peacock; and

"Poultry"

*Includes fowls, ducks, geese, pheasants and turkeys of either sex over the age of four (4) weeks.

Please note that this information sheet is only intended to provide guidance to the residents with the Townships in the Council District and does not in any way bind the Council.

(Extract from Mitcham Council's Guidelines)

The District Council of Tumby Bay does not have By-Laws covering these matters, it operates under the Local Government Act 1999 – S254 'Power to make orders' directing a person to do or refrain from doing something notwithstanding that a person has followed these guidelines if circumstances exist which in the Council's opinion warrant the making of an Order.

Non-Compliance with an order under the LGA 1999 - S258 is an offence: A person who contravenes or fails to comply with an order under this part is guilty of an offence.

Expiation Fee \$210.00

That:

1. Having taken into account the relevant consideration contained in Section 90 (3) (a), (b), (d), and Section 90 (2) of the *Local Government Act 1999*, this meeting of the District Council of Tumby Bay dated 12 May 2015 resolves that it is necessary and appropriate to act in a meeting closed to the public as the consideration of CEOCONF 2/515 listed on the Agenda in a meeting open to the public would on balance be contrary to the public interest.
2. Pursuant to Section 90 (2) of the *Local Government Act 1999*, this meeting of the District Council of Tumby Bay dated 12 May 2015 orders the public (with the exception of members of Council staff who are hereby permitted to remain) be excluded from this meeting to enable this meeting to receive, discuss or consider in confidence Report Number: CEOCONF 2/515 listed in the Agenda, on the grounds that such item of business, contains information and matters of a kind referred to in Section 90 (3) (a), (b), (d), of the Act, namely:
 - (a) information the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead);
 - (b) information the disclosure of which—
 - (i) could reasonably be expected to confer a commercial advantage on a person with whom the council is conducting, or proposing to conduct, business, or to prejudice the commercial position of the council; and
 - (ii) would, on balance, be contrary to the public interest;
 - (d) commercial information of a confidential nature (not being a trade secret) the disclosure of which—
 - (i) could reasonably be expected to prejudice the commercial position of the person who supplied the information, or to confer a commercial advantage on a third party; and
 - (ii) would, on balance, be contrary to the public interest.

Tumby Bay Hospital & Uringa Auxiliary Inc.

Seven members were welcomed to our latest meeting on the 6th May by President Cynthia Fulton. There were six apologies.

Gill Churchett our EO DON of the Tumby Bay Hospital told us that she has been given a new job description from Country Health SA. Gill is now Multi Campus EO DON, which means that she will oversee both Tumby Bay and Cummins Hospitals in her daily job. Gill plans to be present at both Hospitals for half a day (5 days of the week) to cover her role. We wish her well with the extra work load and travel.

Three (3) new Wheelchairs that we recently purchased are now available for patient's use at the hospital.

Auxiliary members agreed to purchase thirteen (13) new , larger TV's, to be installed into each ward of the Hospital as the current TV's are very small and older patients have told Auxiliary members that they find them to be very hard to view clearly. A number of headphone sets will be purchased as well.

Members will supply a new curtain for the half window in the central ward of the hospital.

Renovations and upgrades are now completed at Uringa Hostel, outdoor shading will soon be erected over the courtyard and we are so pleased to still have some money left from the Beaty bequested money, so further planning and expenditure will be carried out, to fully complete the proposed plan. Members are very proud to have been given the opportunity to consult and have input into the undertaking of this project.

Our recent Craft Fair was reported to be a great success, our Auxiliary Donation Tin attracted over \$400.00, and over ten dozen scones were sold out before 11.30am. We thank everyone who supported us, for their patronage and we have vowed to have more homemade scones for the November Craft Fair. The floors of the Soldiers Memorial Hall were looking very highly polished, thanks to Council.

Helen Ware won the money board prize.

LOST PROPERTY

At the Council Front Desk we have a collection of lost property which consists of the following:

- ◆ **3 pairs of reading glasses**
- ◆ **1 set of Peter Kittle Toyota Car Keys**
- ◆ **1 Key on silver chain with the letter "C"**

PLEASE COLLECT IF THEY ARE YOURS!

Our next meeting will be on Wednesday 3rd June in the meeting room of the Medical Centre at 1.30pm. We would greatly welcome anyone wishing to join the Auxiliary, to help our worthy Hospital and Uringa Hostel.

Ungarra CWA

Well it's been a very busy few weeks, but lets start with April 15, our Mystery Bus Tour, always a much anticipated event. First stop for the day was Ivy Cottage which has been stunningly renovated by Anthony and Suzanne Cave, a real show piece, but very much a family home. Then just across the road to Jane Charlton's home on South Terrace another renovation, different from Ivy Cottage but just as lovely in its own unique way.

Next stop was Paul William "Goldsmith, Jeweller and Salesman". A place to OOH and AAH and wish you had more money. A very talented man with an interesting story of how he ended up in Tumby Bay and his numerous stops along the way.

Next was Berenmia owned by David and Kathy Brand, a tour of the gardens and a visit to the animals, they have created their own little patch of paradise. We were invited to enjoy our lunch on the verandah the perfect spot.

Next was Pete and Audene (Scotty) Cadd , who bought and restored Rodgers shop in Ungarra. Coral Plew told us some of the history as she actually worked here, when she was a little younger. Pete showed us his bee hives and gave a fascinating talk about how crucial bees are and why more people should keep them. Then a tour of Pete's truly outstanding produce garden which has to be seen to be believed.

Renovating seemed to be the theme of the day which our last stop continued, The newly opened Ungarra Coffee Shop, where they serve the best coffee and cake, and lunch on Mondays, all for extremely reasonable prices. The girls do a remarkable job and are drawing attention, and customers from all quarters. Well worth a visit or two.

Thank you to everyone for making us all feel so welcome and to Valmai who never fails to surprise.

May 5 Table Day, this year hosted by Port Neill. Table Day means so much to so many, mainly the chance to compete against your peers. To quote Helen Kroemer, group Handicrafts Secretary "It is about doing the very best you can, with what you have available." Scores for the day were Port Lincoln first with 99. Equal second was Ungarra and White Flats on 98 1/2 , next was Tumby Bay with 97 3/4, then Port Neill with 97 1/4

Next year will be Ungarra's turn to host Table Day. See you all there.

Name: Joseph Dench NANKIVELL
Nickname: Joe

Medals and Decorations

British War Medal
Victory Medal

Rank: Lance Corporal
Service: Army
Enlisted: 1 September 1915
KIA: 13 October 1917

Joe was born at home at Minlacowie (SA) on 6 September 1889 to Joseph Nankivell and Selina Nankivell (nee Treasure). There were 8 children in the family, 4 boys and 4 girls, of which he was the third youngest. His father was a farmer at Minlacowie.

Joe went to a school on the farm at Minlacowie, which had been built by his father, with his brothers and sisters. He left school at grade 7 and worked on the family farm until the end of 1908 when he moved with the family to a newly purchased farm at Tumbly Bay. He then worked on the farm at Tumbly until he moved to Melbourne and commenced training for the ministry.

He attempted to enlist in the Army in SA, but was rejected on medical (dental) grounds, so he went to Sydney and successfully enlisted in the Army at Holsworthy on 1 September 1915. After enlistment he was posted to 7th Battalion (Bn) for training and then to 9th Field Ambulance, on the raising of that unit, in March 1916.

On 2 May 1916 he embarked aboard the "Hororata" for Plymouth UK via Alexandria, arriving on 23 June 1916.

After a further period of training his unit was posted to France, arriving in November 1916. He must have done well as a soldier as he was promoted in the field to Lance Corporal on 15 March 1917. Six months later he was killed in action (KIA) in Belgium on 13 October 1917 at the third battle of Ypres, in the final push for Passchendaele which began on 9 October 1917. A notation on his records indicates that he was buried "in the vicinity of Paaschendaele".

The battles for Ypres commenced on 31 July 1917 and ended with the capture of Passchendaele on 1 November 1917; they were fought in the most dreadful conditions where the use of tanks became impossible, the movement of guns was extremely difficult and the German defensive line, using the "pill box" strategy, resulted in very heavy casualties. These battles were won at a cost to the allies of more than 310,000 casualties.

His unit, the Field Ambulance is not a vehicle! It is a group of personnel whose prime role is the evacuation of casualties from the battlefield, a task often undertaken by stretcher bearers and drivers whilst under heavy enemy fire. "The bravery and self sacrifice of these persons is obvious".

The Imperial War Graves Commission was aware that many of those who fell during World War 1 (The Great War) had no known graves; often soldiers were buried on the battlefield with very scant records of the location of their graves. It was therefore decided to honour these service people by a memorial and the Menin Gate was selected as the site for this area, as this had been the one point where hundreds of thousands of men had passed through to enter the battlefields of the Ypres Salient.

The Menin Gate Memorial has the names of over 54,000 officers and men recorded upon it, 6,191 of whom are Australian, with an inscription repeated over the two main arches that reads:

"TO THE ARMIES OF THE BRITISH EMPIRE WHO STOOD HERE FROM 1914 TO 1918 AND TO THOSE OF THEIR DEAD WHO HAVE NO KNOWN GRAVE".

Another inscription which is repeated over the two staircases leading from the main hall is:

"HERE ARE RECORDED THE NAMES OF OFFICERS AND MEN WHO FELL IN YPRES SALIENT BUT TO WHOM THE FORTUNE OF WAR DENIED THE KNOWN AND HONOURED BURIAL GIVEN TO THEIR COMRADES IN DEATH THEY SHALL RECEIVE A CROWN OF GLORY THAT FADETH NOT AWAY".

The name of Joseph Dench Nankivell is recorded on the Menin Gate.
