Mayor's Message

I'd like to take the opportunity to wish you all a happy and prosperous 2015, and trust that the holiday period has been both relaxing and productive. This is a time to look ahead and set goals for what we may achieve in the year ahead, and council is no different, with much planning still continuing.

Australia Day Breakfast

I would like to ensure that you all know that there is an open invitation for all to attend our Australia Day Breakfast at the Tumby Bay Yacht Club, starting around 7:45am on Monday, January 26. Our country is built upon the hard work and selfless commitment of many, and a community like ours has many connections back to previous generations to highlight and remind us of this. There are many in our community that continue to give of themselves, and these awards are an opportunity for us to take time to recognise a few. As a district, we don't have too many public events for all to come and collectively celebrate who we are, so I would encourage you to come along and spend some time together as a community.

Wangary Fire 10 Year Anniversary Service

On Sunday January 11th, a service was held to remember 10 years since the destructive fires which devastated our Lower Eyre community. It was a time to be able to remember those who suffered great loss, and who have continued to suffer in the years since. We were also able to highlight the strength and resilience of our area, that came together to help those in need, both in the direct aftermath, and many years after.

As a community and a council, there is much that continues to need to be done. If there is a council project or plan which you would like to know more detail about, I would encourage you to seek out that information. As a council we would love for our community to be more engaged and have continued input through all the many processes we need to undertake. Many of these plans are available on the DCTB website, or if you'd rather, through the council office. We will be an even stronger community if we work together to help achieve our goals.

Take care, and I look forward to seeing many of you at our Australia Day Breakfast.

State-wide Asbestos Website for the Community

Asbestos.sa.gov.au is the new home of advice for South Australians concerned about asbestos in their homes or workplaces.

The asbestos.sa.gov.au website is the outcome of collaboration between SafeWork SA, SA Health, the EPA, the LGA, Housing SA and DPTI. Each agency plays an important role in managing the risks of exposure and providing information and advice to South Australians about asbestos.

Check out the website for information on finding and identifying asbestos, what to do with it, how to remove it and where to put it for residential settings and workplaces.

Order to Exclude Public from Meeting

10c/012015 Moved - Collins

Seconded – Kroemer

That:

1. Pursuant to Section 90 (2) of the *Local Government Act 1999*, this meeting of the District Council of Tumby Bay dated 13th January 2015 orders that all members of the public (with the exception of members of Council staff who are hereby permitted to remain) be excluded from this meeting in order to consider in confidence Agenda Item CEOCONF 3/115 Land Sale.
2. This order is made on the grounds that the Council is satisfied that pursuant to Section 90 (3) (b) (i) and (ii) of the Act, the information to be received, discussed or considered in relation to Agenda Item CEOCONF 3/115 is information the disclosure of which could reasonably be expected to confer a commercial advantage on a person with whom the Council is conducting business, or proposing to conduct business or would prejudice the commercial position of the Council; and would on balance be contrary to the public interest.
3. Accordingly on this basis the Council is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in this circumstance by the need to keep the information or discussion confidential.

Tumby Bay Probus Club

Tumby Bay Probus Club ended the year with our Christmas luncheon with visitors from Clubs in Port Lincoln and Cummins. Our President Eileen hosted this event. Hope all members had an enjoyable Christmas New Year season.

To begin 2015 our first meeting is Friday 6th February at 10am in the Senior Citizens Clubrooms; looking forward to seeing all. Please come with expectations and anticipation and ideas as we have our AGM in March and require your help to elect a new President to guide us, so please come and be willing to take part in a committee to lead us in 2015.

There are other positions needed, a Secretary, Tour Organiser and other members to assist to maintain a successful club. I can assure you this is an enjoyable part to work in and with; plenty of help is at hand.

Ungarra CWA Christmas 2014

I arrived late as usual, but as I came through the front door of Geraldine Glover's home in Tumby and I looked around the table at those beautiful, happy smiling faces, I realised how fortunate I am to be a part of this group and call these women friends. Isn't that the point of Christmas to count our blessings and be truly thankful for all the good things in our lives; faith, family, friends and a safe and caring community in which to live.

Thank you to Geraldine for making us all welcome in her lovely home.

A special lunch, a little business and laughter, so hard and long that it turned to tears. Special people and a special day but we were missing many of our group, who were unable to attend for different reasons, but we look forward to seeing them all again soon.

Our next get together was a group who gathered to help Helen Kroemer weed and tidy her garden before she opened her garden to show off her Christmas lights on December 19 and what a show it was. All who attended agreed it was one of the best they'd seen. The children I asked couldn't decide which was better, the twelve days of Christmas or the manger scene.

For a gold coin donation you could have had a cup of tea or coffee, slice of cake or a biscuit or two and an ice block for the kids. Not forgetting the spectacular light display. So if you missed it, put it on your calendar for this year. A respectable amount of money was raised toward the CWA State objective cancer research.

The evening ended with members singing "Happy Birthday" to Valmai Webb who foolishly believed she could keep it quiet. No chance.

So here's to 2015, wishing you health, wealth and happiness.

Volunteer Assistance Needed

We are seeking people in the Tumby Bay area who can assist with our Community Engagement Program.

West Coast HomeCare is a small organisation, local to the Lower Eyre Peninsula, that provides a range of home based services aimed at keeping older persons and younger disabled adults independent and in their own homes. Eyre Connections, Community Engagement Program, aims to help people remain connected or get connected and involved in their local communities.

We are currently looking for volunteers to help with the following initiatives:

- We require the assistance of Community Visitors to provide visiting regimes for socially isolated older community members of the Tumby Bay area for a visit of a flexible time frame preferably once per week.

A friendly disposition is essential and an interest in older community members who reside in the Tumby Bay area. This position is supported by a Care Coordinator.

- We require the assistance of iPad Tutors to provide training sessions for small groups of 3-4 people for a 1-2 hour session one day per week.

A sound knowledge of the use of iPads and the ability to demonstrate and teach iPad skills is essential. A formal training program is provided and this position is supported by an iPad Host.

Our volunteer positions will require a Department for Communities and Social Inclusion Screen (DCSI). West Coast HomeCare will assist with this and cover the cost.

Volunteers are vital to the success of the Eyre Connections Program and we take a flexible and personalised approach to our volunteers.

For more information contact West Coast Community Services (08) 8682 2177 ask to speak to Sharmane our Volunteer Coordinator.

The Great Australian Bight Research Program Have Your Say!

All people taking part in the survey may enter into a draw to win one of five prizes of \$200 each

As part of the Great Australian Bight Research Program, The University of Adelaide is undertaking research to better understand local communities in the Eyre Peninsula and West Coast region. The University would like to find out about what natural resources people enjoy, how people feel about potential development and how the locals interact with each other.

The more people we hear from the better, so please take the time to have your say by completing the survey located at www.adelaide.edu.au/churp/research/current/gab-bp/. Please forward the survey link onto family, friends and colleagues who live in the region too.

Please contact Andrew Beer if you would like a paper copy of the survey or if you have any questions, on 08 8313 3216 or andrew.beer@adelaide.edu.au.

Note: Information about the full Research Program is available on the project website: www.misa.net.au/GAB.

Cummins Homes - Vacancies

A wonderful opportunity exists for tenancy at the Cummins Homes Complex, Tumby Bay Road Cummins.

The Complex is owned and operated by the District Council of Lower Eyre Peninsula and comprises 16 units in an attractive and convenient setting. Also proposed later this year is to convert a one bedroom unit to a two bedroom unit.

Council is committed to providing quality, affordable accommodation that satisfies the needs of tenants, whilst promoting an independent and satisfying lifestyle.

If living in a caring, vibrant 'can do' community appeals to you, please contact Julie Elliott, Secretary on 8676 2106 to register your interest.

A Soldiers' Story

Written by Geoff Stewart

Service No.: 3206
Name: Alexander CALDERWOOD
Nickname: Alec

Medals and Decorations

British War Medal
Victory Medal

Rank: Private
Service: Army
Enlisted: 29 March 1916
Discharged: 17 October 1917

Alec was born at Mundoora (SA) on 31 October 1888 to Alexander Calderwood and Lucy Rebecca Calderwood (nee Dennis). There were 14 children in the family, 5 boys and 9 girls, of which he was the sixth eldest. His father was a farmer at Whites River and the farm is still in the family today.

His schooling was undertaken at Whites River. On the completion of schooling he worked on the family farm, before purchasing a scrub block at Edillilie: he then divided his efforts between the two locations until his enlistment in the Army in 1916.

On enlistment he was posted to 2 Training Depot Battalion (Bn) at Mitcham for a period of 12 weeks to complete basic training. On 27 June 1916 he embarked at Port Adelaide aboard HMAT "Malakuta" bound for Devonport (UK), with the remainder of 43 Bn; after landing briefly in Egypt, the Bn went on to Britain for a further period of training. During this period he became ill with mumps and was admitted to hospital for 2 months.

On 20 December 1916 he embarked aboard the "Princess Victoria" for Etaples in France and re-joined his Bn. His unit comprised mainly personnel from regional South Australia and Western Australia. The Bn arrived on the Western Front in late Dec 1916.

The 43rd Bn spent 1917 bogged in bloody trench warfare in Flanders. In June the Bn took part in the battle of Messines; this action was the most successful of any major Western Front attack by the Allies at that stage of the war. In early October the Bn was engaged in the Third Battle of Ypres (also known as the first battle of Passchendaele). It was during this battle that Alec was killed in action (KIA) on 17 October 1917 in Belgium. An historian commented on this battle as follows: "The weather again broke and the constant rain turned the battlefield into a quagmire so that further attacks on 9 October at Poelcappelle and on 12 October at Passchendaele failed with heavy loss."

The Third Battle of Ypres was the major British offensive in Flanders in 1917. It was planned to break through the strongly fortified and in-depth German defences enclosing the Ypres salient, a protruding bulge in the British front line, with the intention of sweeping through to the German submarine bases on the Belgian coast. The battle comprised of a series of limited and costly offensives, often undertaken in the most difficult of waterlogged conditions. The main battles associated with Third Battle of Ypres were:

- Pilckem, 31 July—2 August;
- Langemarck, 16—18 August;
- Menin Road, 20—25 September;
- Polygon Wood, 26 September—3 October;
- Broodseinde, 4 October;
- Poelcappelle, 9 October;
- Passchendaele (First Battle), 12 October.

A letter from the Army to his mother, who was listed as his next of kin, states "he was buried in an isolated grave at Seine, ¾ mile from Zennebeke and 5 miles N-E of Ypres. In all cases where members of the AIF are buried in isolated graves the remains are to be re-interred in the nearest military cemetery". A further note later advises that his remains were exhumed and re-interred at Dochy Farm Cemetery, 4 miles E-N-E of Ypres. The mother later paid 3d each for three photos of the grave – can you imagine this happening today! Alec's mother was granted a pension of 2 pound per fortnight from 19 January 1918.
