Your DEA number is required to participate in the pharmacy program. The address listed on the DEA certificate must match the address for the entity above. Enrollment into the Novation Pharmacy Program does not guarantee the customer will meet the individual supplier requirements to receive pricing under the Novation Agreements. Customer pricing eligibility for products included in the Novation Pharmacy Program is determined by the participating suppliers based on the customer class of trade. Each has supplier determined how pricing will be assigned to each class of trade in order for that company to meet federal pricing requirements.
